Guiding Principles

HEALTH AND SAFETY

We commit to doing everything possible to ensure the health, safety, and well-being of our students, staff, and community. Every decision we make will be in accordance with the Kentucky Department of Education (KDE), Kentucky Department for Public Health, Louisville Metro Department of Public Health and Wellness (LMDPHW), and Centers for Disease Control and Prevention (CDC) guidelines for reopening schools.

HIGH-QUALITY INSTRUCTION

We commit to providing our students with high-quality instruction across all platforms in order to ensure that every student has the opportunity to learn and grow.

FLEXIBILITY

We commit to remaining flexible in these highly uncertain times. We will be ready to adapt to new public health circumstances in accordance with expert guidance in order to safeguard our students, staff, and community.

Guiding Principles

EQUITY

We commit to fostering an environment that supports the emotional health of our students, with a focus on removing barriers and building a system that equips all students with the tools to be successful.

ACCURATE AND TIMELY COMMUNICATION

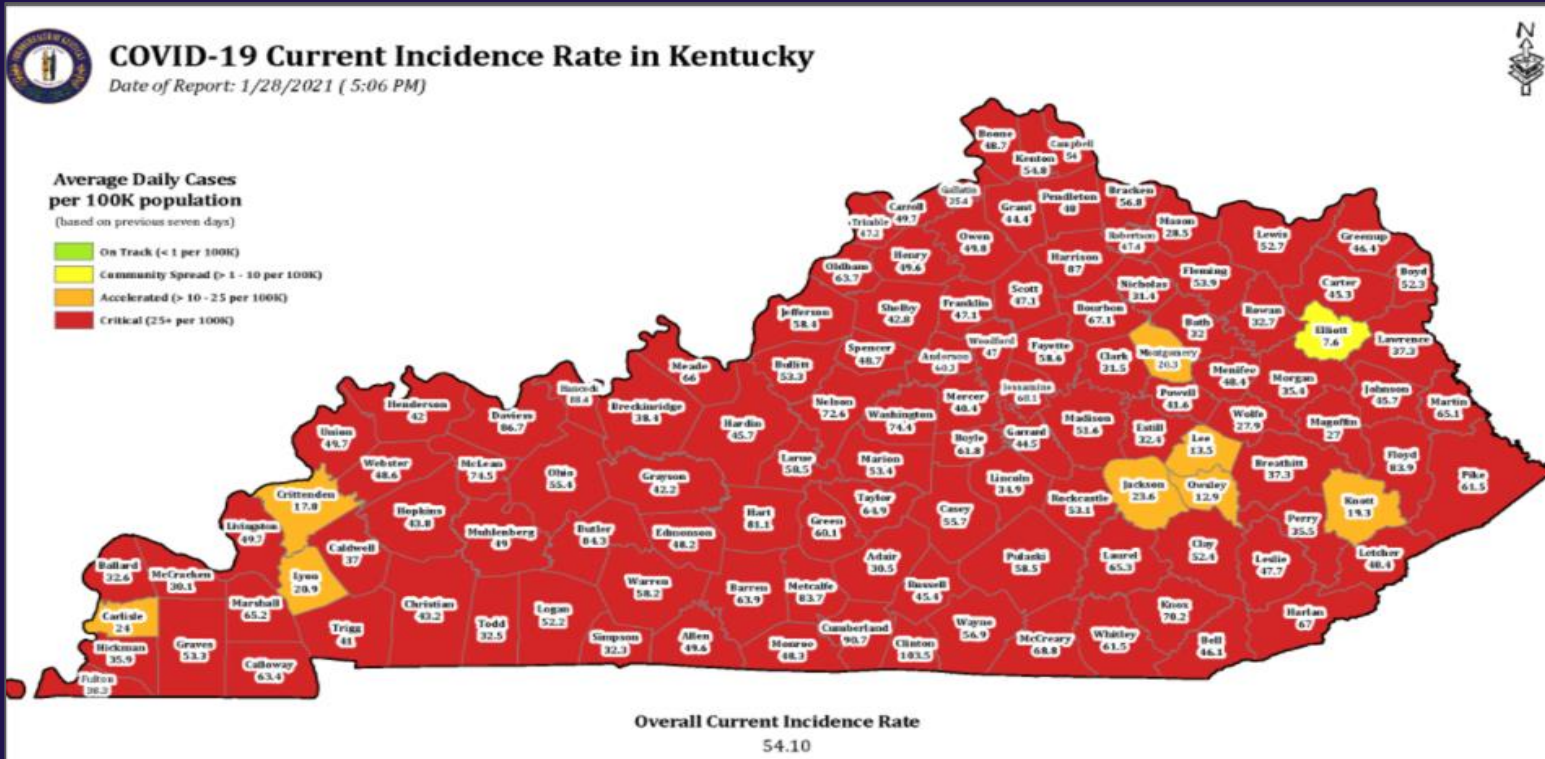

We commit to ensuring that students, employees, and families have the information they need to remain safe, and we will keep all stakeholders up to date with important information throughout the school year.

COMMUNITY TRUST

We commit to building community trust through our actions. Every decision will be made with all stakeholders in mind and will be guided by students, employees, families, and experts.
