The services that Edhesive makes available on or through the Site include education-related articles, information and instructional services, purchasing functionality, and any other features, content, services, functionality and applications offered from time to time by Company on or through the Site (collectively, “Site Services”).

BY ACCESSING OR USING THE SITE, YOU REPRESENT AND WARRANT THAT YOU ARE OF LEGAL AGE TO ENTER INTO THIS TERMS OF USE AGREEMENT (“AGREEMENT”) AND YOU AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT. BY PURCHASING GOODS AND SERVICES ON THE SITE, YOU ARE ACCEPTING THE PRACTICES DESCRIBED IN THIS AGREEMENT AS WELL AS ANY ADDITIONAL TERMS OF USE THAT MAY BE ASSOCIATED WITH THE PARTICULAR GOODS AND SERVICES YOU ARE PURCHASING.

If you are an employee or other representative of a school or other organization who is accessing or using the Site on behalf of such organization, then you are agreeing to this Agreement on behalf of yourself and such organization. Your access to or use of the Site following any changes to this Agreement will constitute your acceptance of those changes. Notwithstanding the foregoing, any changes to this Agreement shall not apply to any dispute between you and us arising prior to the date on which we posted the revised version of this Agreement incorporating such changes or otherwise notified you of such changes. If you do not agree to be bound by this Agreement, you must not access or use the Site. Your access to and use of certain parts of the Site may require you to accept additional terms and conditions, and may require you to download certain Software or Content.

2. Jurisdictional Issues

The Site is controlled and operated by Company from the United States, and is not intended to subject Company to the laws or jurisdiction of any state, country or territory other than that of the United States. Company does not represent or warrant that the Site is appropriate or available for use in any particular jurisdiction other than the United States. In choosing to access and use the Site, you do so on your own initiative and at your own risk, and you are responsible for complying with all local laws, rules and regulations. You are also subject to United States export controls and are responsible for any violations of such controls, including any United States embargoes and other federal rules and regulations restricting exports. We may limit the Site's availability to any person, geographic area or jurisdiction we choose, at any time and in our discretion. Not all products or services described on the Site are available in all states or territories.

3. Company Content

The Site contains information, text, files, images, video, sounds, musical works, computer code, works of authorship, applications, and other materials and content (collectively, "Content") of Company or its licensors ("Company Content"). The Site (including the Company Content) is protected by copyright, trademark, trade secret and other laws, and as between you and Company, Company owns and retains all rights in the Site. Company hereby grants to you a limited, revocable, non-sublicensable license, during the term of the Agreement, to access, display and perform the Company Content (excluding any computer code) solely for your personal, non-commercial use and solely as necessary to access and use the Site. Except as expressly permitted by Company in this Agreement or on the Site, you may not copy, download, stream, capture, reproduce, duplicate, archive, upload, modify, translate, create derivative works based upon, publish, broadcast, transmit, retransmit, distribute, perform, display, sell or otherwise use or transfer any Content. You may not, either directly or through the use of any device, software, online resource or other means, remove, alter, bypass, avoid, interfere with or circumvent any copyright, trademark or other proprietary notice on the Content or any digital rights management mechanism, device, or other content protection or access control measure associated with the Content.

4. User Content

You may not access or use the Site for any commercial purpose. You are responsible for all Content that you post, upload, transmit, e-mail or otherwise make available on, through or in connection with the Site (collectively, "User Content"). The exercise of such rights shall not require any further permission or notice, payment or attribution to you or any third party. You are solely responsible for your interactions with other users of the Site, providers of Third Party Services (as defined below) or any other third parties with whom you interact on, through or in connection with the Site.

8. Purchases

Company may make available products and services for purchase through the Site, and may use third-party suppliers and service providers to enable e-commerce functionality on the Site. You may only purchase products and services that appear on the Site and that are delivered to an address located in the United States. You may only purchase products and services for personal, non-commercial use by you, your educational institution or students of your educational institution. We may limit quantities or refuse any order for any reason or no reason, including if we have reasonable cause to believe an order is for onward sale or resale other than through distribution channels approved by us. We make no promise that products or services available on the Site are appropriate or available for use in locations outside the United States, and purchasing products or services for delivery to or use in territories where their contents are unlawful is prohibited. If you choose to purchase products or services from locations outside the United States, you do so at your own risk. It is your responsibility to ascertain and obey all applicable local, state, federal and international laws (including minimum age requirements) in regard to the possession, use and sale of any product or service made available through the Site.

If you wish to purchase any product or service made available through the Site, you may be asked to supply certain information relevant to your transaction, including your credit card number, the expiration date of your credit card, your billing address and your shipping information. **YOU REPRESENT AND WARRANT THAT YOU HAVE THE LEGAL RIGHT TO USE ANY CREDIT CARD(S) USED IN CONNECTION WITH ANY TRANSACTION.** By submitting such information, you grant to Company the right to provide such information to third parties for purposes of facilitating the completion of transactions initiated by you or on your behalf. Verification of information may be required prior to the acknowledgement or completion of any transaction. While it is our practice to confirm orders by e-mail, the receipt of an e-mail order confirmation does not constitute our acceptance of an order or our confirmation of an offer to sell a product or service.

9. Products, Services and Specifications

All products and services described or depicted on the Site, and all related features, content, specifications and prices, are subject to change at any time without notice.

10. Return and Exchange Policy

Unless otherwise specified in the terms associated with a particular product, you may not return or exchange any product. Certain jurisdictions may provide additional statutory rights. Nothing herein is meant to limit your return or cancellation rights under local law.

11. Accuracy of Information

If you submit registration information to create an Account, you represent and warrant that all information submitted to Company in connection with such registration is complete and accurate, and that you will update such information if it changes. If you create an Account, you are responsible for all use of your Account, and for maintaining the confidentiality of the information used to access your Account (including user name and password). You agree not to share your user name or password with anyone, or use anyone else’s Account at any time. You agree to notify Company immediately if you suspect any unauthorized use of, or access to, your Account (including your user name and password). You acknowledge that the reuse of your password in connection with accounts on other websites increases the risk that the security of your Account may be compromised.

13. Third Party Links and Services

The Site may make available, or third parties may provide, links to other websites, applications, resources, advertisements, Content or other products or services created, hosted or made available by third parties (“Third Party Services”), and such third party may use other third parties to provide portions of the Third Party Service to you, such as technology, development or payment services. When you access or use a Third Party Service, you are interacting with the applicable third party, not with Company, and you do so at your own risk. Company is not responsible for and makes no warranties, express or implied, as to the Third Party Services or the providers of such Third Party Services (including the accuracy or completeness of the information provided by such Third Party Service or the privacy practices of any third party). Inclusion of any Third Party Service or a link thereto on the Site does not imply approval or endorsement of such Third Party Service. Company is not responsible or liable for the content or practices of any Third Party Service or third party, even if such Third Party Service links to or is linked by the Site, and even if such Third Party Service is operated by an affiliate of Company or a company otherwise connected with us or the Site.

14. Feedback

Unless we expressly agree otherwise in writing, if you provide us with any ideas, proposals, suggestions or materials (“Feedback”), whether related to the Site or otherwise, you hereby acknowledge and agree that (a) your provision of any Input is gratuitous, unsolicited and without restriction and does not place Company under any fiduciary or other obligation; and (b) any Feedback is not confidential and Company has no confidentiality obligations with respect to such Feedback.. We may use Feedback for any purpose whatsoever without permission or notice, compensation or attribution to you or any third party. You are and remain responsible and liable for the content of any Feedback.
