- ~~1. Personal telecommunication devices may be used on school property during the course of the instructional day. Use of devices shall follow guidelines of the Todd County Acceptable Use Policy, and only used for instructional purposes.~~

Students shall not use/activate and/or display a personal telecommunication device on school property during the course of the instructional day.

This includes, but is not limited to, taking photographs, video, or audio recordings of others without the permission of the Principal/designee and the affected individual(s). An exception may be made for events considered to be in the public arena (e.g. sporting events, academic competitions, or performances to which the general public is admitted) where the activity does not materially disrupt the event, prevent others from observing the event, or otherwise violate legal rights. These restrictions shall not be interpreted to prohibit material protected under the state or federal constitutions where such material does not otherwise materially or substantially disrupt the education process or intrude upon the rights of others.

When students violate prohibitions of this policy, they shall be subject to disciplinary action, including losing the privilege of bringing the device onto school property and being reported to their parent/guardian. A violation also may result in a report being made to law enforcement. In addition, an administrator may confiscate the device, which shall only be returned to the student's parent/guardian.

3. Students are responsible for keeping up with devices they bring to school. The District shall not be responsible for loss, theft, or destruction of devices brought onto school property.
4. Students shall comply with any additional rules developed by the school concerning appropriate use of telecommunication or other electronic devices.
