

***Garrard County Schools and Farmers National Bank  
Students of the Month – February 2021***

**CDR – Avery Roseberry – 1<sup>st</sup> Grade – Daughter of Jonathan & Christen Roseberry**

"Avery Roseberry has been such a joy to have in class this year. She is always smiling, has a positive attitude towards her peers and teachers, and comes in every day ready to work hard. It doesn't matter if we are in a virtual setting or in the classroom, she is always prepared and puts forth her best effort. One of my favorite things about Avery is that she always wants to help others. When she completes her work at school, she will often ask if she can help someone else. She sets a great example in my classroom and is very deserving of CDR's student of the month award."

**LES – Jaxson Gaffney – 4<sup>th</sup> Grade – Son of Michael and Jessica Gaffney**

Mrs. Sewell says, "Jaxson is a very dedicated student. During virtual days, Jaxson showed up to all Google Meets early, completed his work and came in every day for his services. He is making many strides in class." Jaxson has been at LES since Kindergarten, and has made incredible improvements in his education each year. Mrs Bottoms says, I love seeing him everyday, and talking to him. He is an absolute joy to work with.

**PLES – Paisley Baker, 2<sup>nd</sup> Grade – Daughter of Patrick Baker and Jerrica Skidmore**

Paisley works so hard. She has improved so much in reading because of her hard work and the support of her Mom. She comes to every meeting and additional one on one meetings with both of her teachers. School is such a priority for her and I can't wait to watch her improve even more! She is always a polite young lady and has come out of her shell since starting as a new student at the beginning of the year. She is a wonderful addition to Paint Lick Elementary.

**GMS – Parker Woolums, 6<sup>th</sup> Grade – Son of Chris and Kim Woolums**

Parker makes sure he does all his work to the best of his ability, he participates in meets, and is willing to look for answers and help others, just an all around great student

**GCHS – Abby Keith, Sophomore – Daughter of Corey and Rhonda Keith**

Abby has attended all my Google meets, turned all her assignments in on time, and participates in class. Her answers are of high quality and she adds to the content we are learning. She is always positive and seems to love coming and participating in school
