KFCA Playoff Structure Questionnaire

The Kentucky Football Coaches Association Elected Council will be utilizing this form to gather the opinions of coaches from around the state to obtain a consensus on areas of improvement of our sport by invested stakeholders, the Kentucky High School Football Coaches.

The primary function of the KFCA Elected Council is to give a voice to the Football Coaches around the state as a collective.

The objective of this document is to gauge the the opinions of coaches around their state concerning Rounds 1 and 2 of the playoffs. Members of the KFCA Elected Council have been approached by our voting members about the effectiveness of the playoff structure that matches up Intra District opponents in the First 2 Rounds. As the voice of the Kentucky High School Football Coaches, we feel it necessary to poll our coaches to gather information and statistical data to be the driving force in the decision making process that will be beneficial for the collective.
