

**JEFFERSON COUNTY PUBLIC SCHOOLS
CONTRACT FOR THE PROCUREMENT OF PROFESSIONAL SERVICES**

THIS CONTRACT FOR PROCUREMENT OF PROFESSIONAL SERVICES (hereinafter "Contract") is entered into between the JEFFERSON COUNTY BOARD OF EDUCATION (hereinafter "Board"), a political subdivision of the Commonwealth of Kentucky, with its principal place of business at 3332 Newburg Road, Louisville, Kentucky 40218 and Rutherford Learning Group, Inc. (hereinafter "Contractor"), with its principal place of business at 110 Matthews Station Street, Suite 23, Matthews, North Carolina, 28105.

WITNESSETH:

WHEREAS, the Board desires to procure the particular services of Contractor, which are more fully defined below; and

WHEREAS, Contractor has held itself out to be competent and capable of performing the services contracted for herein;

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the Board and Contractor (hereinafter "Parties") agree as follows:

ARTICLE I

Entire Agreement; Amendments

This Contract is the entire agreement between the Parties and supersedes any and all agreements, representations and negotiations, either oral or written, between the Parties before the effective date of this Contract. This Contract may not be amended or modified except in writing as provided in Article VIII. This Contract is supplemented by the Board's Procurement Regulations currently in effect (hereinafter "Regulations") that are incorporated by reference into and made a part of this Contract. In the event of a conflict between any provision of this Contract and any provisions of the Regulations, the Regulations shall prevail.

ARTICLE II

Services

Contractor agrees to perform the following services (hereinafter "Services") of a quality and in a manner that is within the highest standards of Contractor's profession or business. The Services are as follows:

Part I: Contractor will deliver leadership support to all principals of Accelerated Improvement Schools (AIS) through fifteen (15) Principal Professional Learning Community Zoom support sessions. Each elementary, middle and high school group (five [5] groups total) of no more than eight (8) participants each will receive two (2) support sessions. Each support session will be approximately sixty (60) minutes in length. Beyond that, two and one-half (2.5) hours of individual support through office hours will be offered by the Contractor. The Contractor will also provide one (1) support session to the entire group of AIS principals for approximately sixty (60) minutes. This support will build capacity of AIS principals in

focused professional learning community work, group dynamics, and collaboration for school improvement.

Part II: Contractor will deliver training and support for AIS school leaders and Kentucky Department of Education (KDE) AIS support teams through School Walk-Around on-site or virtual training. This support provides a continuation of work the Contractor has previously lead with AIS schools regarding the cause and effect relationship between effective teaching practices and learning, use of the 30 second feedback routine, and conversations crafted to develop teacher capacity. Through this work, leaders more accurately assess the efficacy of each teacher, and teachers have a deeper understanding of quality instruction. The Contractor will provide three (3) days of on-site training and support for school and KDE teams.

Part III: Lastly, the Contractor will deliver a Customized Leadership Development support program as a pilot for selected AIS administrative team participants. This will consist of three (3) rounds of development of topics chosen by participants, i.e., 'Advocate for Change; Builder of Teams; Creator of Learning Culture; Manager of Time and Events; Driver of Equitable Results, etc.'. The topics will be chosen to address the individual leader's identified area of growth. The Contractor will coach and guide participants through the rounds of development, culminating in a Zoom presentation. Contractor's office hours will be available for individual and/or group support as leaders work on their topic and develop their skills in the chosen area.

Contractor agrees that they will not operate a motor vehicle in the performance of this Contract. The Contract Administrator hereby waives the insurance requirement for automobile liability insurance. If during the term of this contract, Contractor is not required by Kentucky law to maintain workers compensation insurance, then the Contract Administrator hereby waives the requirement for workers compensation insurance contained in Article V. All other provisions of Article V shall remain the same.

In the event the Board determines that it is impractical or impossible for in-person services to occur, Contractor may provide these services remotely using video conferencing technology as necessary.

ARTICLE III Compensation

The Board shall pay Contractor the total amount stated below (hereinafter "Contract Amount"). The Contract Amount shall be paid in a lump sum upon completion of the Services, unless a schedule of progress payments is stated below. The Contract Amount shall be for total performance of this Contract and includes all fees, costs and expenses incurred by Contractor including but not limited to labor, materials, taxes, profit, overhead, travel, insurance, subcontractor costs and other costs, unless otherwise stated below. To receive payment, Contractor must submit an itemized invoice or invoices. If progress payments are authorized, each invoice must specify the actual work performed. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

If the Board fails to give notice to Contractor of the appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.
