

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460

March 9, 2018

OFFICE OF
AIR AND RADIATION

Mr. Henry Webb
Superintendent of Schools
Kenton County School District
1055 Eaton Drive
Ft. Wright, Kentucky 41017

Dear Mr. Webb:

On behalf of the U.S. Environmental Protection Agency (EPA), congratulations on being selected as a 2018 ENERGY STAR Partner of the Year Sustained Excellence Award winner. You are part of a distinguished group that has made a long-term commitment to improving public health and protecting the environment by eliminating energy waste and associated pollution.

ENERGY STAR drives innovative, market-wide energy-saving practices and technological advances that contribute to a stronger economy while protecting the environment through broad emissions reductions. By sustaining your ENERGY STAR commitment, you continue to lead the way for others, proving that when you save energy the financial value accrues across the board.

Your efforts, along with the efforts of our other partners, have had a significant impact. Since 1992, ENERGY STAR and its partners have saved American families and businesses \$430 billion in energy costs and 4.6 trillion kilowatt-hours of energy, while achieving broad emission reductions.

We appreciate your leadership in the ENERGY STAR program and look forward to continuing our valuable partnership. Again, congratulations on your award.

Sincerely,

OFFICE OF
AIR AND RADIATION

February 16, 2018

Mr. Chris Baker
Kenton County School District
1055 Eaton Drive
Ft. Wright, KY 41017

Dear Mr. Baker:

On behalf of the U.S. Environmental Protection Agency, it is my pleasure to inform you that your organization has been selected as a 2018 ENERGY STAR Partner of the Year winner for Sustained Excellence. This award is reserved for ENERGY STAR partners demonstrating outstanding leadership, year over year. Your application stood out among many highly competitive submissions this year, demonstrating exemplary commitment and dedication to leadership in energy efficiency and the ENERGY STAR program.

Because of your organization's commitment to saving energy, dedication to measuring and tracking progress, and efforts to communicate the importance of energy efficiency to a wide audience, it's earned the award of 2018 ENERGY STAR Partner of the Year, Sustained Excellence – Energy Management.

We look forward to honoring you and the other award winners at the ENERGY STAR Awards Ceremony on Friday, April 20th, 2018, in Washington, D.C. Although you should have received an official save-the-date invitation via email, attached is some basic information about the Awards Ceremony, meetings, and other special activities for award winners (photo sessions, press information, etc.). If you need additional information, please contact awards@energystar.gov for assistance.

Again, congratulations on your award! We look forward to seeing you on April 20th.

Sincerely,

Jean Lupinacci
