

Winter 2021 CASE Data

Elementary, Grades K-5
Middle, Grades 6-8

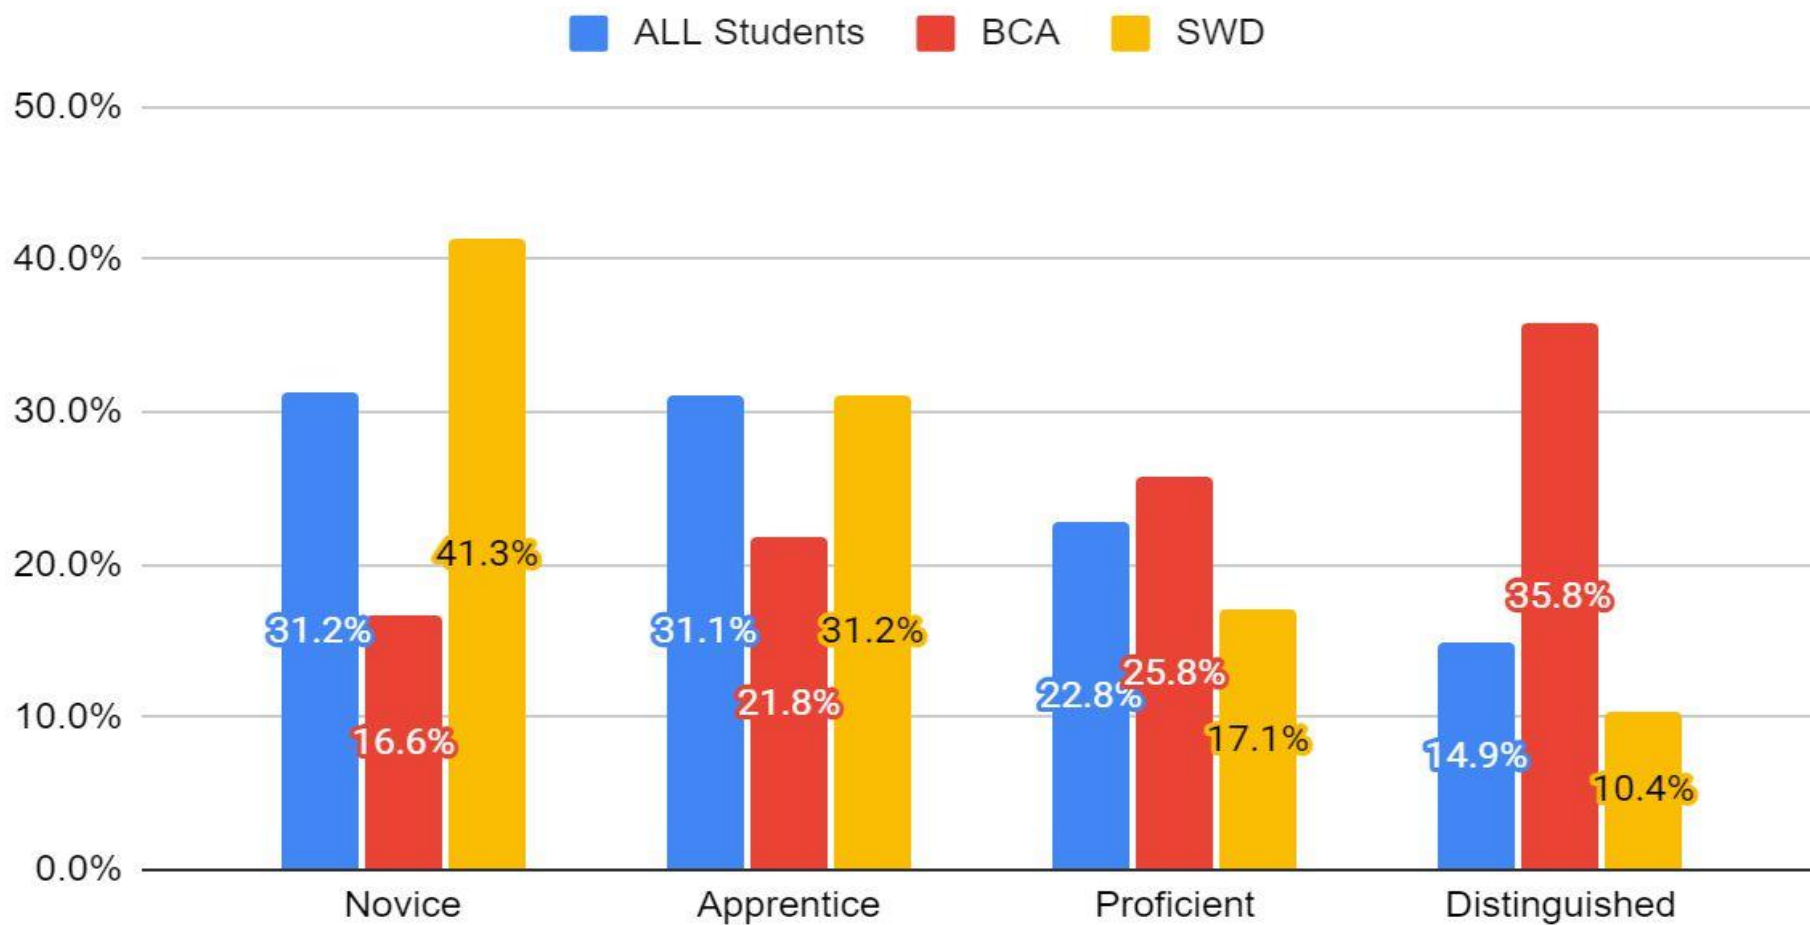

Reminders

- First benchmark assessment this school year on current grade level standards (the fall assessment was a gap analysis)
- National trend of reading maintaining and math declines
- Comparison to Fall Gap Analysis data, students are decreasing novice and increasing proficient and distinguished
- Assessment given to students in a hybrid format with some students in-person and remotely

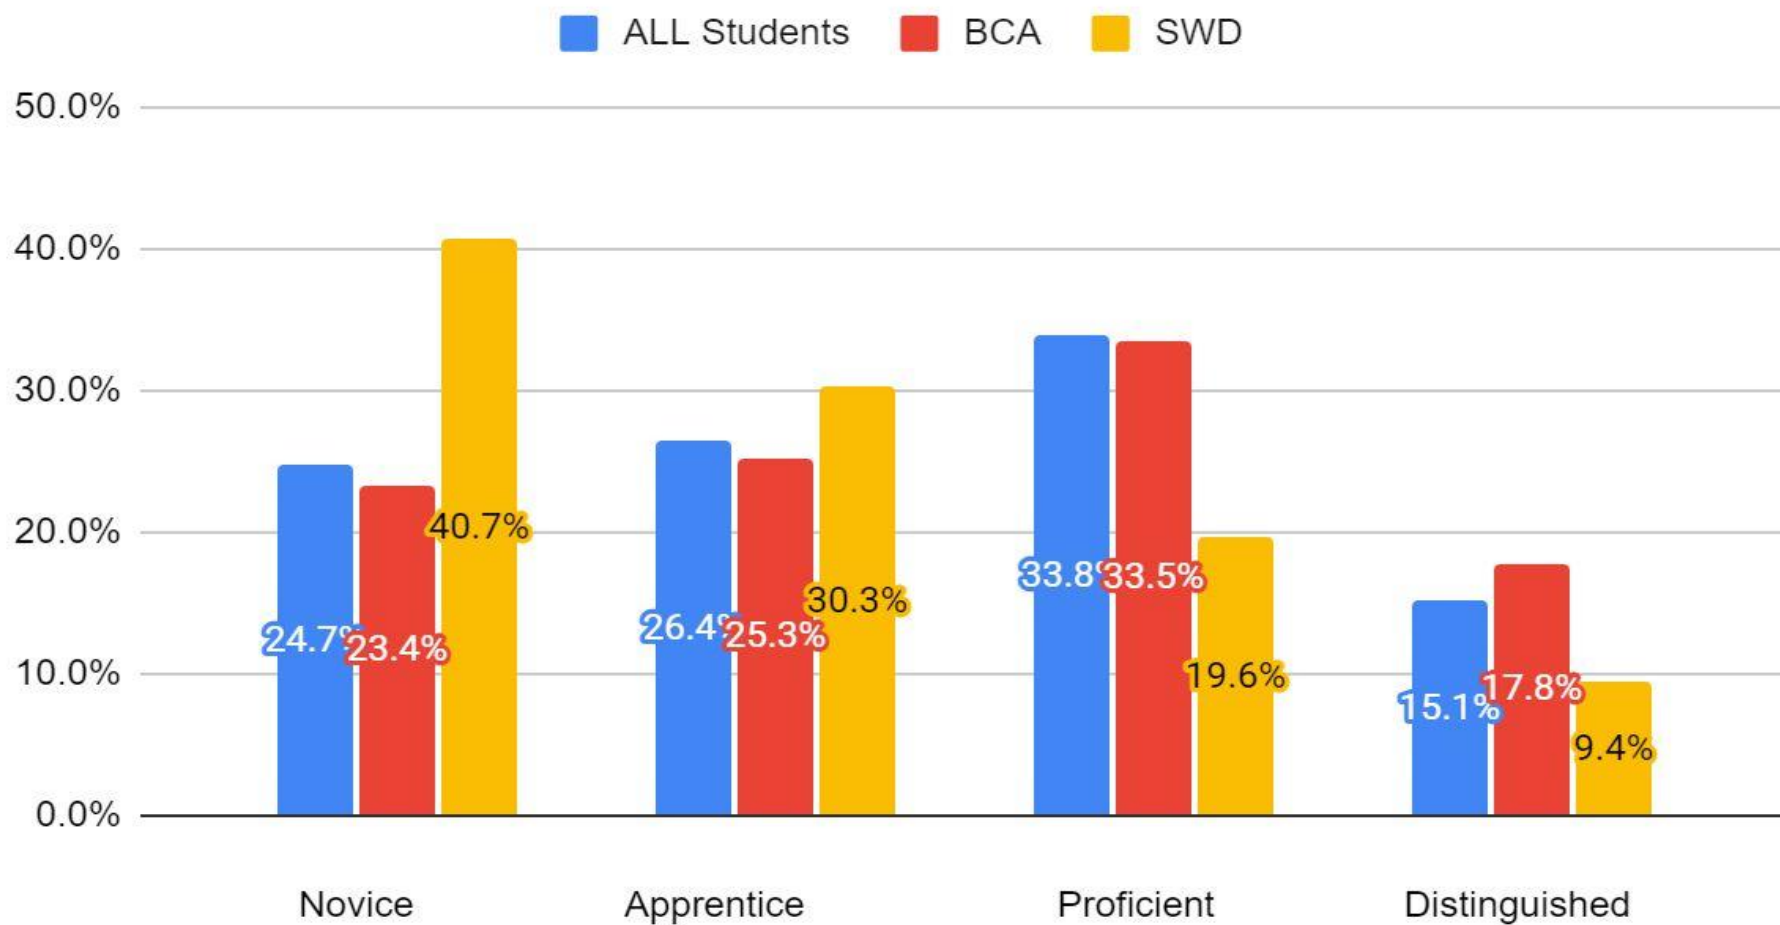

Elementary Grade K-2 ELA
