Division 01: General Requirements

01.01: 2018.06.11 – Gravel was staged for the south construction entrance. The area had been rough graded.

01.02: 2018.06.11 – The demolition area was enclosed in temporary fencing.

Division 02: Existing Conditions

02.01: 2018.06.11 – The former gymnasium had been removed except for some wind columns. The crew was actively demolishing the two story classroom area with a large piece of equipment. Dust was being controlled with water. Approximately 20% of the building had been leveled, though the percentage having been removed was less than that.
