KCSD ISSUE PAPER

DATE:

7/26/18

AGENDA ITEM (ACTION ITEM):

Consider/Approve Contracting with PRN Healthcare to provide medically required one-on-one nursing services to a child in the Kenton County School District.

APPLICABLE BOARD POLICY:

NA

HISTORY/BACKGROUND:

Medically fragile students in our district need one on one nursing services due to being on a ventilator. Contracting with PRN allows the district to receive nursing coverage if/when the school nurse in the building is absent. Additionally, the nurse eats lunch with the student, rides the bus to/from school to oversee medical needs, provides assistance with activities of daily living such as diapering, G-tube feeding, and transfers the student in and out of the wheelchair. KCSD has one student that enrolled at Beechgrove March 2015 and has been receiving these services from this agency since his enrollment.

FISCAL/BUDGETARY IMPACT:

The district spent approximately \$40,000 from District Funds: Special Education General Fund. These services are billed to Medicaid for reimbursement.

RECOMMENDATION:

We ask the Board to approve contracting with PRN Healthcare to provide one on one nursing services to a student at Beechgrove Elementary. It is requested that the Board allow this contract to automatically renew after one calendar year and each subsequent year unless terminated by either party.
