Leeanne Kirkpatrick – Math Teacher – Garrard County High School

Mrs. Kirkpatrick came to us through the Option 6 program. She is a very talented person in many areas. Leeanne is a student driven teacher. She excels at building relationships and encouraging students to leave their comfort zone to learn Math. She has a positive attitude and takes on new challenges with a smile. One of her greatest qualities is her growth mindset. She is always looking for new ways to engage her students and motivate them. She loves collaborating with others and is a team player. Mrs. Kirkpatrick has been a valuable addition to the GCHS Math Department.
