DEVELOPMENT OF CALENDAR

The District Calendar Committee, after seeking feedback from District employees, parents, and community members, shall recommend school calendar options to the Superintendent for presentation to the Board. The committee's recommendations shall comply with state laws and regulations and consider the economic impact of the school calendar on the community and the state.

In order to act on the school calendar, the Board must hold two (2) meetings: 1) one that includes hearing and discussing recommendations from the Superintendent and the calendar committee and 2) a subsequent meeting that includes adoption of the calendar.

The meetings may be regular or special.

In the case of special meetings, the requirements of KRS 61.823 and Board Policy 01.44 apply, including describing in the applicable special meeting notice(s) and agenda(s) consideration and discussion of the recommendations of the Superintendent and the calendar committee (regarding an initial special meeting dealing with the school calendar) or adoption of the school calendar (regarding a subsequent special meeting that includes adoption of the calendar).

In the case of an initial regular meeting that includes the required recommendations/discussion or a subsequent regular meeting that includes adoption of the school calendar, notice shall be given to media outlets that have requests on file to be notified of special meetings stating the date of the regular meeting and that one (1) of the items to be considered in the regular meeting will be the school calendar. The notice shall be sent at least twenty-four (24) hours before any such regular meeting. This additional and unique regular meeting notice requirement does not make any of the requirements or limitations relating to special meetings applicable to the regular meeting.

The District may set the length of individual student attendance days in a variable student instructional schedule, but no student attendance day shall contain more than seven (7) hours of instructional time unless the District submitted and received approval from the Commissioner of Education for an innovative alternative calendar.¹

A variable student instructional year means at least one thousand sixty-two (1,062) hours of instructional time delivered on the number of student attendance days adopted by the Board which shall be considered proportionally equivalent to one hundred and seventy (170) student attendance days and calendar days for the purposes of a student instructional year, employment contracts that are based on the school term, service credit under KRS 161.500, and funding under KRS 157.350.¹

RESIDENCE DEFINED

Pupils whose parent or guardian resides in the District and has custody of the student, or pupils who are legal residents of the school District, or as otherwise provided by state or federal law, shall be considered residents and entitled to the privileges of the District's schools. All other pupils shall be classified as nonresidents for school purposes.¹

Upon request, parents shall be required to furnish school officials with proof of legal residency. Legal guardianship must be documented by an order from the County Circuit Court.

HOMELESS CHILDREN AND UNACCOMPANIED YOUTH

The District shall provide educational and related services to homeless children and youth, (including preschool-aged homeless children,) and homeless children or youth not in the physical custody of a parent or guardian (unaccompanied youth) in a manner that does not segregate or stigmatize students on the basis of their homeless status.

The District shall provide its schools with guidelines that detail the rights of homeless students and the responsibilities that schools have to meet their needs and eliminate barriers to school attendance. These guidelines shall emphasize the right of homeless students to:

1. Have equal access to all educational programs and services, including transportation, that non-homeless children enjoy;
2. Have access to preschool programs as provided to other children in the District;
3. Continue attending their school of origin, when deemed in the best interest of the child, for the duration of homelessness;
4. Attend regular public school with non-homeless students; and
5. Continue to receive all services for which they are eligible (i.e., special education, gifted and talented, English learner).

The District shall provide transportation to the school of origin for homeless children at the request of the parent or guardian (or in the case of an unaccompanied youth, the liaison) if the child continues to live within the area served by the District in which the school of origin is located. If the child locates to a District other than that of his/her school of origin, the districts shall work together to apportion transportation to and from the school of origin and associated costs. If the districts are unable to reach agreement, responsibility and costs for transportation shall be shared equally.

The District shall designate an appropriate staff person to serve as liaison to homeless children and unaccompanied youth. In addition to coordination of McKinney-Vento implementation in the District, the liaison is responsible for:

- "Outreach" to other entities and agencies so that homeless students are identified;

Admissions and Attendance**HOMELESS CHILDREN AND UNACCOMPANIED YOUTH (CONTINUED)**

- Providing public notice of the educational rights of homeless children in locations frequented by parents/guardians and unaccompanied youths. This notice is to be in a manner and form that is understandable;²
- Seeing that school personnel who provide McKinney-Vento Services receive professional development and other support; and
- Ensuring that unaccompanied youths are enrolled in school and receive support to accrue credits and access to higher education.

The District shall inform school personnel, service providers, advocates working with homeless families, parents, guardians and homeless children and unaccompanied youths of the duties of the liaison.

All concerns regarding the education of homeless children and unaccompanied youth shall be referred to the District liaison. If a complaint arises regarding services or placement of homeless children and unaccompanied youth, the dispute resolution procedures as set forth in 704 KAR 7:090 shall apply.

The previous school shall provide the new school records maintained within the student information system by the Kentucky Department of Education within three (3) working days of receipt of a request. Remaining records shall be provided within ten (10) working days of the request.

The Superintendent shall appoint a Point-of-Contact (POC)-Foster Care Liaison to coordinate activities relating to the District's provision of services to children placed in foster care, including transportation services, when the District is notified by the Cabinet for Health and Family Services in writing that the Cabinet has designated its foster care POC-Foster Care Liaison for the District. The Superintendent may appoint the District POC-Foster Care Liaison prior to such notice from the Cabinet.

Admissions and Attendance**CHILDREN IN FOSTER CARE (CONTINUED)**

Children in foster care, including preschool aged children if the District offers a preschool program, shall be eligible to attend their "school of origin" unless a determination is made that it is not in the child's best interest. ~~When possible, a~~ Such determination will be made in collaboration with the child welfare agency. Dispute resolutions shall be handled by all agencies involved in the determination of the foster child's placement.

When possible, a child exiting the foster care program during the school year shall be allowed to complete the school year in the school of origin.

complete the school year in the school of origin.

BEST INTEREST OF THE CHILD

Determining the best interest of the child takes into consideration the following factors, including but not limited to:

- The benefits to the child of maintaining educational stability;
- The appropriateness of the current educational setting;
- The child's attachment and meaningful relationships with staff and peers at the current educational setting;
- The influence of the school's climate on the child;

2. If a student has been adjudicated guilty/convicted of, homicide, assault, or an offense in violation of state law or school regulations relating to weapons, alcohol, or drugs.

Assault shall mean any physical assault, including sexual assault.

The sworn statement or affirmation shall be on a form provided by the appropriate state agency and shall be sent to the receiving school within five (5) working days of official notification that a student has requested enrollment in the new school.⁶

If a student is suspended or expelled for any reason, or faces charges that may lead to suspension or expulsion, but withdraws prior to a hearing from any public or private school in Kentucky or any other state and then moves into the District and seeks to enroll, the District shall review the details of the charges, suspension, or expulsion and determine if the student will be admitted, and if so, what conditions may be imposed upon the admission. Prior to a decision to deny admission, the District shall offer the student, parent/guardian, or other persons having legal custody or control of the student a hearing before the Board for expulsion cases and before the Superintendent or designee for suspension cases.

As noted above, a student must meet or exceed all credits in the prescribed domains and meet or exceed all SBDM requirements to be granted a traditional Diploma from one of the high schools in Kenton County. While it is anticipated that all students will meet this standard, the Board recognizes there may be extenuating circumstances that prevent some students from successfully completing all the standards. In an effort to meet the needs of the total student population, students meeting the following criteria may apply for a Kenton County Basic High School Diploma that meets the State minimum requirements as set forth in 704 KAR 3:305 and described above.
