

*High School Request for Swim Coach*

I would like to request the addition of a coaching position for Garrard County Schools. We have several students interested in becoming members of the swim team and currently have one swimmer representing Garrard County in KHSAA events.

I would like to propose a \$1,250 stipend for a girls swim coach and a \$1,250 stipend for a boys swim coach. This would put us between the amount Danville (pays \$1,500 for each) and Lincoln County (\$1,000 for each).

Thank you for your consideration of this request.

David Hoskins  
Athletic Director  
Garrard County High School
