**KCSD ISSUE PAPER**

**DATE:**

8/29/18

**AGENDA ITEM (ACTION ITEM):**

Consider/Approve Contracting with Maxim Healthcare Services to provide nursing services on an as needed basis when other nursing staff is not available.

**APPLICABLE BOARD POLICY:**

NA

**HISTORY/BACKGROUND:**

KCSD has several medically fragile students that require one-on-one nursing services such as a ventilator. In the event that the regular duty nurse is absent and unable to provide services, KCSD is required to have a trained nurse available at all times in the school setting to allow the student to access and attend school.

**FISCAL/BUDGETARY IMPACT:**

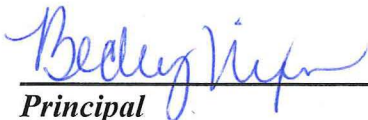

The cost of these services will vary depending on the amount of time utilized. The cost of these services will be taken from the District General Fund. These services will be billed to Medicaid for reimbursement if applicable.

**RECOMMENDATION:**

We ask the Board to approve contracting with Maxim Healthcare Services to provide nursing services on an as needed basis. It is requested for the contract to renew after one calendar year and each subsequent year unless terminated by either party.
