DETAILS

Kids will love going to their P.E. classes when you install the Everlast Climbing™ 40 ft. Traverse Wall Package in your school's or organization's athletic facility. Teach students the ins and outs of indoor rock climbing with this challenging and fun set. With differently shaped handholds and a variety of positioning options, this climbing package lets you and your faculty increase or decrease the difficulty of the climbing wall to accommodate for different age groups. The traverse design does not require a pulley system, affording a safe and thrilling activity for children.

- Teach kids the proper techniques used in rock climbing with this traverse wall package
- Different shapes and sizes of handholds deliver varying degrees of difficulty
- Includes ten 4 ft. x 8 ft. traverse wall panels, one 6 ft. x 40 ft. cordless mat locking system, red relief safety line, 200 hand holds, 10 ball holders and 640 T-nuts
- Also includes two rules and guidelines signs, safety, care and maintenance instructions and an activity guide
- Available in blue or red mats to match your gym's aesthetic
