Dr. Henry Webb, Superintendent of Schools

KCSD ISSUE PAPER

DATE:

8/15/18

AGENDA ITEM (ACTION ITEM):

Consider/approval to add a supplemental stipend for the position of Technical Education Data Systems (TEDS) Coordinator for the four high schools.

APPLICABLE BOARD POLICY:

04.61 Gifts and Grants

HISTORY/BACKGROUND:

The Kenton County School System is required to enter scholar data for Career & Technical Education (CTE) into the Technical Education Data System (TEDS). This data is used to establish the Kentucky Department of Education School Report Card information. It includes career pathways, certifications, and establishes each scholar's Transition Ready status. This is a year long process. In addition, for the Academy it establishes enrollment data, which leads to CTE Funding.

FISCAL/BUDGETARY IMPACT:

Each high school; Scott, Simon Kenton, Dixie Heights, and the Academy will each have one TEDS Coordinator to enter the CTE data into TEDS. The cost will be \$800 Stipend per TEDS Coordinator (4) for a total of \$3200. The work must be done after school to receive stipend. This will be paid from the Perkins Grant as long as the grant continues and funds are available.

RECOMMENDATION:

Approval to add a supplemental stipend of \$800 for the position of Technical Education Database System (TEDS) Coordinator for each of the four high schools.
