KCSD ISSUE PAPER

DATE:

August 17, 2018

AGENDA ITEM (ACTION ITEM):

Consider/Approve Section 7 funding request for Simon Kenton teachers to conduct after school labs for AP Biology and AP Chemistry.

APPLICABLE BOARD POLICY:

3.11

HISTORY/BACKGROUND:

The district has traditionally provided funding for teachers to conduct afterschool labs for AP Biology and AP Chemistry. These advanced labs take significantly more time than is allotted in a single period during the school day which cause scheduling issues. The district will request the local school assume the cost of the AP labs after the 2018-2019 school year as this is a SBDM Schedule decision. Supplemental pay scale for "after school AP labs" will be added to the 2019 supplemental salary schedule.

FISCAL/BUDGETARY IMPACT:

The cost for 47 labs (24 AP Biology and 23 AP Chemistry) will be approximately \$7600.

RECOMMENDATION:

Approve funding for Simon Kenton AP Biology and AP Chemistry teachers to be compensated for teaching after school AP labs.
