Green Valley Dr

An aerial photograph of a school campus. The main building is a large, dark-roofed structure with a prominent circular section on the right side that has a shiny, metallic-looking roof. To the left of the main building is a large, paved parking lot with several cars parked. To the right of the building is a circular driveway or road with a landscaped area in the center. The surrounding area includes green grass, some trees, and a road. Two location pins are visible: a red one on the roof of the main building and a yellow one on the circular section of the building.
