**KCSD ISSUE PAPER**

**DATE:**

September 20, 2018

**AGENDA ITEM (ACTION ITEM):**

Consider/Approve Continuing to work with The Point, New Perceptions, Redwood, and Proctor and Gamble on a contractual/agreement basis to provide post-secondary transition services to students per their IEP's.

**APPLICABLE BOARD POLICY:**

N/A

**HISTORY/BACKGROUND:**

Kenton County has previously worked with The Point, New Perceptions, Redwood and Proctor and Gamble on a contractual/agreement basis to provide eligible special education students' services/assistance with meeting their postsecondary transition goals on their IEP's. These agencies provide various services including allowing our students to practice work based learning opportunities to learn employability skills in an authentic work environment outside of the school building. These services assist Kenton County in having our students career ready.

**FISCAL/BUDGETARY IMPACT:**

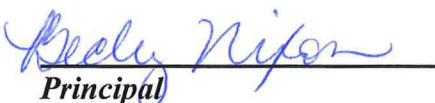

The cost will vary depending on the agency/service. However, many of the agencies/services are fully or partly funded by the Office of Vocational Rehabilitation.

**RECOMMENDATION:**

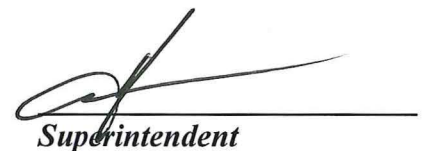

Request approval to continue working with The Point, New Perceptions, Redwood, and Proctor and Gamble to provide post-secondary transition services to students per their IEP as long as the agreement/contract is compliant with board policy and approved by the board attorney. It is requested for the contracts/agreements to renew after one calendar year and each subsequent year unless terminated by either party.
