Tuition

FEE TO BE CHARGED

According to a schedule recommended by the Superintendent and adopted by the Board annually, the Board shall charge a fee for each student attending its schools whose parent, guardian or legal custodian is not bona fide resident of the District¹ or a full-time employee of the District.

If the student's district of residence does not release ADA funds, or if the student lives out of state, the tuition fee shall also include the ADA amount.

WHEN STUDENTS MOVE

When a student's parents move out of the District, the student may continue to attend the District school during the current grading period without tuition charge. Students who move out of the District with more than a full grading period remaining in the year shall be required to transfer to a school in their new district of residence or pay tuition. Requests to remain in a District school must be on physical, psychological, or educational reasons. Family hardship may also be considered in allowing a student to continue the current school assignment. The Superintendent shall be authorized to waive tuition for any of the above reasons.

Failure by the student or parent/guardian to notify the school that the student has moved outside the District or is fraudulently attending the school shall result in the forfeiture of attendance privileges, effective on the date school officials become aware of the situation.

EMPLOYEES' CHILDREN

With permission of the Superintendent, full-time employees who live outside the District may enroll their children in District schools without a tuition charge, contingent on the District receiving ADA as provided by law.

STUDENTS WITH DISABILITIES

For information concerning nonresident students requiring special educational services, refer to the Board-approved policy and procedures manual for students with disabilities. The District shall not discriminate against students with disabilities in accordance with Section 504 and Title II of the Americans with Disabilities Act.

TUITION REIMBURSEMENT

If a tuition paying family moves into the District within the first sixty (60) days of the first day of the school year, tuition may be reimbursed.
