Re: Summer School/Intersession Programs

Attached is a summary of the current positions and pay rates that for employees who work Summer School. *This year, we have added a **Summer School Secretary** to the spreadsheet. As part of our plan to create more summer school opportunities the next two years, I request that for the summers of 2021 and 2022 we pay certified employees their daily wage rate and classified employees time and a half (1.5 hours pay) to work summer school.

Thanks,

Bob
