Consent Agenda Item (Action Item):

Approve (4) Prestonsburg Elementary ESS (Extended School Services) tutor positions for the 2020/2021 school year.

Applicable State or Regulations:

Policy 0.1.11 General Powers and Duties of the Board

Budget/Financial Issues:

ESS budget will be used to fund these positions.

Background and Rationale:

By law, each school is required to offer ESS services for students. Prestonsburg Elementary has been approved to offer a Daytime ESS Program. These services will be offered during the regular school day. Selection of students will be based on one or more of the following: in danger of failing behind in key subject matter; at risk of being retained in the present grade; in need of additional reinforcement/practice on a major skill/concept. Approving these positions will benefit the students of Prestonsburg Elementary by way of providing additional assistance needed in order for the students to become more academically successful in the classroom setting.

Recommended Action:

Approve request for (4) ESS tutor positions for the 2020/2021 school year.
