**Good News Report**

- NTI has ended and group A & B are back in the building as of January 11th. In-person is going really well and the students seem very excited to be back at school.
- Majority of our Chromebooks have been turned in. A few without the cords and some damaged but have been sent off for repairs. Overall, most returned in good condition.
- Our two newest Teachers (Ms. Kendall and Mrs. Clark) are doing great and we are so happy to have them on board.
- Mrs. Pennington had her baby boy and they are doing well.
- Beta is going well and competition entries are all submitted. National convention 2021 will be at Disney.

**STUDENT ACHIEVEMENT**

We are in the diagnostic window for Reading and Math (piloted). There will be no MAP testing (due to NTI). Only students to be tested will be any New, OLA and GT students. 4th grade will be Science and 5th grade will be Social Studies. The hope is to do end of the year testing if we continue to stay in-person instruction.
