To Whom it may concern:

This coming spring / summer season Todd County Central FFA will be hosting a Farmers Market for the Todd County community to provide another of many opportunities for students to build on their entrepreneurship skills, serve the community, and provide customer satisfaction.

We hope that this Farmers Market Program can not only provide an ample opportunity for our community, but also be a recurring item each year. Through this Farmers Market we will not only be providing opportunities for students to further their Agricultural Education but also provide a financial benefit to alleviate some costs that are associated with running an Agricultural Program.

The Farmers Market will be held at Todd County Central High School parking lot every 1st and 3rd Saturday of the month. Our opening date will be May 1st and continue on the first and third Saturdays until July 24th.

If you would like to lease a spot at the High School to sell your product an all season pass is \$80 dollars. If you would like to lease a spot on a by month basis it is \$40 per month. If you have any questions please contact Quashawn Quarles either by phone 270-265-2506 ext 5312 or by email quashawn.quarles@todd.kyschools.us

We hope to see you soon, either as a seller or as a supporter. Once again feel free to reach out and we will get back to you.
