**Subject:** Floral Design Course Fee

Hi again!

I don't know how formal you want this, so if it needs to be more "official" just let me know.

For Floral Design next year (this being a course offered every other year) is there a possibility of charging a course fee? Floral design requires a lot of materials that we currently do not have along with the cost of flowers. Anywhere from \$25-50 per student would be sufficient. \$25 would get us by just fine, especially if we have a large number of students, but the higher the amount the more supplies we can get.

Also, let me know if we need to get this year's greenhouse sale approved too, please!

Thanks!
