Henderson KY 42420

April 16, 2021

Dear School Board Members,

After 21 plus years of service to the district, I regretfully have to request an Extended Disability Leave.

Although it is possible that the Dr. will release me pending my visit on April 21, it is also likely that he will extend my leave throughout the remainder of the year. If any changes occur regarding my return date, I will inform the Central Office staff.

Kind Regards,

Gloria A. Young
