The Basics

- JCPS will work in partnership with community-based youth serving organizations to provide this in-person experience for students.
- Students will tap into potential talents and passions through development of critical thinking skills, a variety of enrichment experiences, and leadership lessons. There will also be opportunities for math and literacy practice to prepare for the next grade level as well as physical activity every day.

The Basics

- Backpack League will operate at JCPS school buildings and community-based locations.
- The program will run June 21 thru July 30, 2021 for rising 1st grade through 12th grade students.
- Students will also have access to virtual adventures in Summer League.
- Through a coordinated effort, we seek to engage thousands of JCPS students!

Programmatic Overview

Consistent experience to include:

- Critical thinking curriculum for all students (typically used in GT classrooms)
- Social-emotional skills development and mental health support
- Opportunities for online math and literacy practice, credit/course recovery, and one-to-one tutoring
- Enrichment experiences
- Physical activity

Leadership Counselors in Training

- In collaboration with SummerWorks, we will hire JCPS high school students ages 16+ to work as Leadership Counselors In Training (LCIT) at all Backpack League sites.
- LCITs will receive a week of leadership training June 14-18.
- LCITs will learn to lead the social-emotional development and leadership games and activities for the younger students at the sites, with support.
- LCITs will have time and support during the day to complete their own credit recovery online courses.
- LCITs will be paid \$10/hour for 7 weeks of full-time work.

What JCPS will provide:

- Lead (retired, aspiring principal or school administrator)
- School Counselor/Mental Health Practitioner
- Nurse/Medical Staff
- Family Resource Youth Services Center Coordinator
- Behavior support
- English Learner (EL) support
- ECE academic support
- Home-School Coordinator
- Teachers (2 per site at community locations - math, literacy. More teachers could be available at JCPS buildings)
- Breakfast & Lunch (via nutrition services drop-offs)
- Transportation (within 2 mile radius)
- Support for external enrichment opportunities

Summer Programming for English Learners

- Backpack League sites will have EL support
- This can include ESL trained teachers to support strategies and access to the following:
 - oral language development
 - academic language development
 - instructional accommodations
 - translation/interpreting resources
 - culturally responsive strategies and resources
