Hey Jon,

* I know right now there are not to be any field trips that have been approved by the board this year, but the State Department just approved to have FFA Camp in person for 10 different weeks in the summer. They will be running under 25% capacity for camp. We will follow all COVID guidelines for the State and the KHSAA

protocols for activities. The only issue is they must know which chapters are coming and who is not coming by April 14th, which I know is before the next Site base meeting. Do you mind forwarding this to the Site Base for a special approval or no approval so I can let them know and send it over to the board meeting for approval or disapproval there. The following are the dates that we could possibly go, so if they prefer that we go later in the summer I understand that I just have to know 3 date choices just in case we don't get our first choice. If you have further questions please let me know and I will forward them to the proper powers in charge.

The dates for the sessions are as follows:

Session 1 - June 14-16
Session 2 - June 16-18
Session 3 - June 21-23
Session 4 - June 23-25
Session 5 - June 28-30
Session 6 - June 30 - July 2
Session 7 - July 5-7
Session 8 - July 7-9
Session 9 - July 12-14
Middle School Only - Session 10 - July 14-16
