Certified Evaluation Plan Teachers & Other Professionals

OVERVIEW

Effective teaching and school leadership depend on clear standards and expectations, reliable feedback, and the tools, resources and support for professional growth and continuous improvement. The Kentucky Department of Education, with the guidance and oversight of various steering committees, designed, developed and implemented a statewide Professional Growth and Effectiveness System (PGES) in 2009.

With the passage of a new Senate Bill 1 in 2017, Hopkins County Schools implemented a district-developed system of evaluation and professional growth for the 2017-18 school year. With guidance from Kentucky Department of Education as meeting the requirements of KRS 156.557 and proposed 704 KAR 3:370, the district-developed system will be utilized for 2018-19 school year.

The goal of the Certified Evaluation Plan (CEP) is for every student to be taught by an effective teacher/other professional (OP) and every school to be led by an effective leader. The CEP is designed to create a fair and equitable system to measure teacher/OP and leader effectiveness and act as a catalyst for professional growth.

The plan found within this document will be utilized for certified teachers and other professionals. New intern teachers will only be required to complete KTIP for evaluation purposes. Other professionals include: speech language pathologists, school counselors, school psychologists, library media specialists, special education building coaches, and curriculum coordinators.

The Kentucky Framework for Teaching with Specialist Frameworks for Other Professionals

The Kentucky Framework for Teaching is designed to support student achievement and professional practice for teachers and other professionals to include librarians, guidance counselors, instructional coaches, therapeutic specialists, and school psychologists through the domains of:

<u>Framework for Teaching</u>	<u>Specialist Frameworks for Other Professionals</u>
Domain 1: Planning & Preparation	Domain 1: Planning & Preparation
Domain 2: Classroom Environment	Domain 2: Environment
Domain 3: Instruction	Domain 3: Delivery of Service
Domain 4: Professional Responsibilities	Domain 4: Professional Responsibilities

All domains will be considered in determining the evaluatee’s professional performance measure of Planning, Environment, Instruction, and Professionalism. Domains 1 and 4 will be measured through artifacts, conferencing, and/or observations. Domains 2 and 3 will be measured through observation and conferencing.

The Frameworks also include themes such as equity, cultural competence, high expectations, developmental appropriateness, accommodating individual needs, effective technology integration, and student assumption of responsibility. They provide structure for feedback for continuous improvement through individual goals that target student and professional growth, thus supporting overall school improvement. Evidence documenting professional practice is situated within one or more of the four domains of the framework. Performance is rated for each component according to four performance levels: Ineffective, Developing, Accomplished, and Exemplary. The summative rating is a holistic representation of performance, combining data from multiple sources of evidence across each domain.

The use of professional judgment based on multiple sources of evidence promotes a holistic and comprehensive analysis of practice, rather than over-reliance on one individual data point or rote calculation of practice based on predetermined formulas. Evaluators also take into account how educators respond to or apply additional supports and resources designed to promote student learning, as well as their own professional growth and development. Finally, professional judgment gives evaluators the flexibility to account for a wide variety of factors related to individual educator performance, such as school-specific priorities that may drive practice in one domain, an educator’s number of goals, experience level and/or leadership opportunities, and contextual variables that may impact the learning environment, such as unanticipated outside events or traumas.

Interdisciplinary Early Childhood Educators who teach in the preschool setting will utilize the Framework for Teaching and the Kentucky Preschool Guidance document.

Evaluators must use the following categories of evidence in determining overall ratings:

Required Sources of Evidence

- ◆ Professional Growth Planning (PGP)
- ◆ Self-Reflection
- ◆ Observations

All components and sources of related evidence supporting an educator’s professional practice will be completed and documented to inform the Overall Performance Category.

All Summative Ratings will be recorded on district-approved documents and submitted to the District Central Office.

Products of Practice/Other Sources of Evidence

Products of practice include: Observations by the evaluator, Self-Reflection, Professional Growth Plan, and other sources of evidence. Teachers and other professionals may provide additional evidences to support assessment of their own professional practice. These evidences should yield information related to the teacher’s practice within the domains.

Required

- ◆ **Observations conducted by certified supervisor observer(s)**
- ◆ **Self-reflection**
- ◆ **Professional growth plans**

Assignment of Primary Evaluator

The immediate supervisor will assign the primary evaluator for each certified staff member assigned to his/her location by September 1st of each year. Late hires, after September 1st, will have an evaluator assigned within the first 30 days of employment.

Evaluator Evaluation & Observer Training

In order to evaluate teachers and other professionals, all evaluators are required to be trained in the initial certified evaluation training by KDE or the approved provider, as well as the district certified observation and evaluation training. Thereafter, a minimum of annual six-hour observation/evaluation training is required. The district observation/evaluation training will use the district selected or state observation-training platform. Evaluators shall be provided with district support, resources, and EILA-approved training. Evaluators shall meet the CEP requirements prior to conducting formative or summative evaluations.

Serving Dual Roles

Educators serving dual roles shall be evaluated on the job role as determined by the evaluator.

Kentucky Teacher Intern Program (KTIP)

Teacher interns shall follow the KTIP process. KTIP data shall be used to inform the district performance measure for the summative rating.

Professional Practice

Self-Reflection and Professional Growth Planning

The self-reflection provides the educator an opportunity to reflect on professional practices and set focused goals through the development of a Professional Growth Plan (PGP). The PGP addresses realistic, focused, and measurable professional goals. The plan connects data from multiple sources including professional growth needs identified through self-assessment, classroom observation feedback, and student achievement. In collaboration with the evaluator, explicit goals are identified to drive the focus of professional growth activities, support, and on-going reflection. Teachers and other professionals shall participate in self-reflection and PGP each year, which serve as sources of evidence for the summative evaluation.

The teachers and other professionals shall:

- (1) Reflect on current growth needs based on multiple sources of data and identify areas of focus aligned with the school/district improvement plans
- (2) Collaborate with the evaluator to develop a PGP
- (3) Implement the plan
- (4) Regularly reflect on the impact of the PGP making modifications as needed
- (5) Collaborate with the evaluator to conduct an annual summative reflection, the degree of goal attainment, and next steps; document the PGP’s completion or continuation.

Required:

- ◆ **All Teachers and Other Professionals participate in self-reflection and professional growth planning each year.**
- ◆ **All teachers and other professionals will document self-reflection and professional growth planning in the state or district-approved platform.**

***Protocol for Late Hires:**

All educators and other professionals hired October 1-March 1 will have 30 calendar days to complete the self-reflection and professional growth plan within the state or district-approved platform.

Observation

The observation process is one source of evidence to determine educator effectiveness that includes supervisor observation(s) for each certified teacher and other professional. The supervisor observation provides documentation and feedback to measure the effectiveness of professional practice and will be used to inform the summative rating. Observations may begin after the teacher/other professional (OP) has participated in evaluation training, which must occur within 30 calendar days of reporting for employment. The rationale for each type of observation is to encourage continued professional learning in teaching and learning through critical reflection.

Observation Model for One-Year Summative Cycle

The observation model must fulfill the following minimum criteria:

- ◆ Three observations in the summative cycle conducted by the supervisor.
- ◆ Final observation is conducted by the supervisor and is a full observation.
- ◆ Address any differences for Other Professionals.
- ◆ All observations (mini and full) must be documented on district-approved forms.
- ◆ In the summative year, signed and dated copies of the written summative evaluations shall be placed in the employee's personnel file at the district office.
- ◆ Employees shall have an opportunity to provide a written response to all evaluations which shall be placed in the employee's personnel file.

The Model

Observers will conduct two mini observations of approximately 20-30 minutes each. Because these are shorter sessions, the observer will make note of the components observed in order to identify "look fors" in the next mini observation session. Mini observations may be announced or unannounced. The final observation is a formal observation consisting of a full class or lesson observation. Full observations must be announced. The required number of observations is the minimum requirement. Additional observation(s) may be conducted if deemed necessary by the primary evaluator.

One-Year Summative Cycle

Non-tenured teachers and other professionals are on a one (1) year cycle for evaluation. Walk-through observations and other observations may be conducted to inform professional practice. Other evidence and professional judgement may be used to inform performance measures. Tenured teachers and other professionals on an Intensive Assistance Plan shall follow the one-year summative observation model.

Table 3: One Year Summative Cycle Observation Model for Teachers and Other Professionals

Observation Type	Observer	Observation Time	Observation Timeline

2 nd Mini	Evaluator	Minimum 20 minutes	Prior to Dec. 15

Summative Evaluation			
The evaluator shall complete the Summative Evaluation annually in the district electronic platform <u>by April 15th</u> , and provide a signed and dated hard copy to the Director of Human Resources for the employee's personnel file.			

Three-Year Summative Cycle

Tenured teachers and other professionals on a three (3) year summative cycle are required to have a minimum of one full observation from the evaluator within the three (3) year cycle. Walk-through observations and other observations may be conducted to inform professional practice. Other evidence and professional judgement may be used to inform performance measures.

****3 Year Cycle Year 1 (T1); 3 Year Cycle Year 2(T2); 3 Year Cycle Year 3 (T3)**

Timeline for Late Hires

Employees hired after the first instructional day during the first semester shall complete all components of the observation schedule. All one year cycle educators and other professionals who miss 60 consecutive instructional days or more, including late hires or breaks in service, will receive 1 mini observation prior to their full observation.

Observation Conferencing

Observers will adhere to the following observation conferencing requirements for teachers and other professionals:

Required

- ◆ The evaluator may determine that the pre-conference be conducted through electronic **(including virtual)**, written, or personal correspondence on full and mini observations.
- ◆ Conduct observation post-conference within five working days following each observation.
- ◆ Mini-observation post conferences may be conducted through electronic **(including virtual)**, written, or personal correspondence while post conference will be completed in person **(preferred or virtual conference (if necessary))** for the full observation.
- ◆ The summative evaluation conference shall be held at the end of the summative evaluation cycle.

Determining the Overall Rating for Summative Evaluation

Supervisors are responsible for determining an Overall Performance Rating for each teacher or other professional at the conclusion of the summative evaluation year. The Overall Performance Rating is informed by the educator's rating on professional practice. The evaluator determines the Overall Performance Rating based on professional judgment informed by evidence that demonstrates the educator's performance against the Domains, district-developed rubrics, and decision rules that establish a common understanding of performance thresholds to which all educators are held.

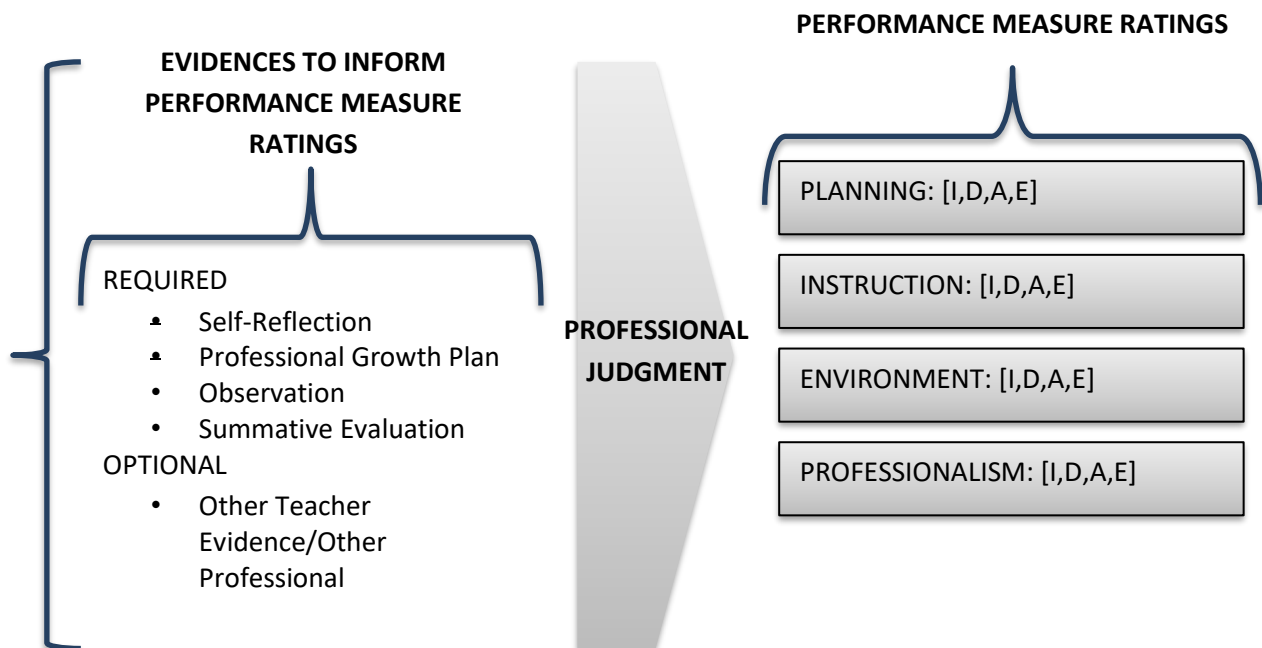

The Summative Process

The Kentucky Framework for Teaching stands as the critical rubric for providing educators and evaluators with concrete descriptions of practice associated with specific domains. Each element describes a discrete behavior or related set of behaviors that educators and evaluators can prioritize for evidence-gathering, feedback, and eventually, evaluation. Supervisors organize and analyze evidence for each individual educator based on these concrete descriptions of practice.

The summative process concludes with the evaluator's analysis of evidence and the final assessment of practice in relation to performance measures of Planning, Environment, Instruction, and Professionalism described under each Domain at the culmination of an educator's cycle for a summative rating.

Required

- ◆ Provide a summative rating for each domain based on evidence.
- ◆ All ratings must be recorded on the district-approved form.

Performance Measures to Determine Ratings

Four performance measures along with other evidence and professional judgement are used for each component within the domains of the Framework to determine a performance measure rating.

The four performance measures are as follows:

- ◆ **Exemplary** rating consistently exceeds expectations for effective performance.
- ◆ **Accomplished** rating consistently meets expectations for effective performance.
- ◆ **Developing** rating inconsistently meets expectations for effective performance.
- ◆ **Ineffective** rating consistently fails to meet expectations for effective performance.

Summative Evaluation Process

- ◆ The summative evaluation conference and documentation shall be completed in the **state or district approved platform** by April 15th for one-year cycle process and by May 15th for three-year cycle process.
- ◆ The observation results from mini and full observations for teachers and observations or site visits for Other Professionals and other evidence in the cycle will be reviewed to assign an Overall Performance Rating for: Planning, Environment, Instruction or Delivery of Service (Other Professionals), and Professionalism. Then, the *Criteria for Determining Overall Performance Measure for a Summative Rating* will be applied to determine the overall summative rating.
- ◆ All evaluatees shall be provided a copy of the summative form through electronic access or a hard copy.
- ◆ A hard copy shall be signed and dated by both the evaluator and evaluatee and submitted to the district for the evaluatee's personnel file.
- ◆ The district certified evaluation plan shall provide an opportunity for the evaluatee to submit a written statement in response to the summative rating and require the response to be included in the official personnel record.
- ◆ In addition to the appropriate KTIP forms, KTIP interns shall receive performance measures on the district's summative evaluation document in the summative conference.

Determining the Overall Performance Measure for a Summative Rating

An educator's Overall Performance Category is determined using the following steps:

1. **Determine the individual measure ratings through the use of sources of evidence and professional judgment.**
2. **Apply District Decision Rules for determining an educator's Professional Practice rating.**

Table 9: Criteria For Determining Professional Practice Rating

<i>Determining Performance Measure for an Overall Summative Rating</i>	
IF	THEN
If Environment and Instruction/Delivery of Service are both rated <u>ineffective</u>	The Summative Rating is <u>ineffective</u> .
If Environment or Instruction/Delivery of Service is rated <u>ineffective</u>	The Summative Rating is <u>developing</u> or <u>ineffective</u>
If Planning or Professionalism is rated <u>ineffective</u>	The Summative Rating shall not be <u>exemplary</u> .
If two Performance Measures are rated developing and two are rated <u>accomplished</u>	The Summative Rating shall be rated <u>accomplished</u> .
If two Performance Measures are rated <u>developing</u> and two are rated <u>exemplary</u>	The Summative Rating shall be rated <u>accomplished</u> .
If two Performance Measures are rated <u>accomplished</u> and two are rated <u>exemplary</u> .	The Summative Rating shall be rated <u>exemplary</u>

3. Apply District Overall Decision Rules for determining teacher or other professional Overall Performance Rating.

Table 10: Criteria for Determining a Teacher or Other Professional Overall Performance Rating

<i>Determining Overall Performance Rating</i>	
IF	THEN
Professional Practice Rating	Overall Performance Rating
Exemplary	Exemplary
Accomplished	Accomplished
Developing	Developing
Ineffective	Ineffective

Required

- ◆ All summative ratings must be recorded on the district-approved documents and submitted to the District Central Office.
- ◆ Implement the Overall Performance Measure process for determining effectiveness.

Corrective Action/Improvement Plan

A Corrective Action/Improvement Plan is to provide the teacher/administrator/other professional with additional assistance and supervision to help him/her to meet performance expectations as outlined in the district Certified Evaluation Plan. The Plan may be written at any time during the school year if the teacher/administrator/other professional demonstrates behaviors contrary to the representative duties/essential functions as outlined in the job description, and/or exhibits ineffective practices as outlined in the Kentucky Framework for Teaching and Other Professionals, the Principal Performance Standards, or the Superintendent Standards.

A Corrective Action/Improvement Plan will be developed by the evaluator to address specific deficiencies in the teacher/administrator/other professional's performance and/or behavior(s). Once a Corrective Action Plan has been implemented, there will be more specific assistance provided to improve performance and more frequent monitoring and review of progress by the evaluator.

The evaluator will show evidence of supports provided to the evaluatee by documenting minutes of all meetings regarding the Corrective Action/Improvement Plan. All Corrective Action/Improvement Plan review meeting minutes shall include:

- ◆ a list of all participants
- ◆ signatures of all in attendance
- ◆ dates and times of review meetings
- ◆ deficiencies discussed
- ◆ goals addressing indicator(s) and/or representative duties/essential functions identified as areas of improvement
- ◆ activities/strategies to facilitate goal attainment
- ◆ date of next review

When the deficiency has been corrected, the evaluatee will move back into the Professional Growth Plan Cycle. If there is no improvement with the Corrective Action/Improvement Plan, the evaluator may choose to seek the help of a Corrective Action Team to work with the employee.

Corrective Action Team

A Corrective Action Team may be requested by the evaluator if the initial Corrective Action Plan leads to limited or no improvement. The following procedures would be initiated:

- ◆ The evaluator conferences with the employee and indicates the desire to form a corrective action team.
- ◆ The evaluator will conduct at minimum one mini and one full observation.
- ◆ In collaboration with the employee, a team will be mutually selected.
- ◆ A district representative shall be a member of the Corrective Action Team.
- ◆ All Corrective Action Team meeting minutes shall include:
 - a list of all participants including at minimum one district representative
 - signatures of all in attendance
 - dates and times of review meetings
 - deficiencies discussed
 - goals addressing indicator(s) and/or representative duties/essential functions identified as areas of improvement
 - activities/strategies to facilitate goal attainment
 - date of next review

If the employee, in the judgement of the evaluator, makes sufficient progress with the team's assistance, then the employee may be placed back onto the Corrective Action Plan or into the Professional Growth Plan Cycle. If there is no improvement with the Corrective Action Team, the district may choose to terminate the employment of the teacher or other professional.

Appeals

Pursuant to KRS 156.557, certified employees who think they were not evaluated fairly may submit an appeal to the panel for a timely review of their evaluation. The purpose of the Appeals Panel Hearing is to review the summative evaluation of the employee. Confidentiality and fairness shall be the primary concerns of the panel. The Local Board of Education Evaluation Policy 03.18 and Administrative Procedure 03.18 AP.11 are located in the Appendix.

According to 156.557 Section 9, Section 9.

FREQUENCY OF SUMMATIVE EVALUATIONS

At a minimum, summative evaluations shall occur annually for each teacher or other professional who has not attained continuing service status. Summative evaluations shall occur at least once every three (3) years for a teacher or other professional who has attained continuing service status, as well as principals, assistant principals, and other certified administrators.

All employees shall be afforded an opportunity for a review of their evaluations. All written evaluations shall be discussed with the evaluatee, and he/she shall have the opportunity to submit a written response to be included in the certified employee's personnel record. Both the evaluator and evaluatee shall sign and date the evaluation instrument.

All evaluations shall be maintained in the employee's personnel file.²

PURPOSE

An Appeals Panel shall be established in accordance with KRS Chapter 156 and [704 KAR 003:370](#). Based on issues identified in an employee's appeal documentation, the Panel shall determine whether the employee has demonstrated that a procedural violation has occurred under the District's evaluation plan and whether the summative evaluation is supported by the evidence.

1. Both the evaluatee and evaluator shall submit three (3) copies of any appropriate documentation to be reviewed by members of the Appeals Panel in the presence of all three (3) members. The parties will exchange copies of documentation by or before the day it is submitted to the Panel. The members of the Appeals Panel will be the only persons to review the documentation. All documentation will be located in a secure place in the Central Office except during Appeals Panel meetings. Confidentiality will be maintained. Copies of the documentation as submitted to the Panel shall not be carried away from the established meeting by either parties involved or the Panel members.
2. The Panel will meet, review all documents, discuss, and prepare questions to be asked of each party by the Chairperson. Additional questions may be posed by Panel members during the hearing.
3. The Panel will set the time and place for the hearing, and the Chairperson will provide written notification to the appealing employee and his/her evaluator of the date, time, and place to appear before the Panel to answer questions.
4. Legal counsel and/or chosen representative may be present during the hearing to represent either or both parties.
5. The hearing will be audiotaped and a copy provided to both parties if requested in writing. The original will be maintained by the District.
6. Only Panel members, the evaluatee and evaluator, legal counsel, witnesses, and the employee's chosen representative will be present at the hearing.
