Terms and Conditions

This Subscription is a Business license and, except where Customer has a Site License, requires one license per Device (as defined in the EULA). The quantity stated above corresponds to the number of Devices that will be licensed.

Where Customer has a "Site License", it shall be identified in the product description of the Order Form. A Site License grants Customer the ability to execute the Software for its internal use within the band purchased and is not limited to a fixed amount of

Devices. Site License pricing is banded with bands determined by employee count. The Parties will reevaluate the Site License band at the end of the Subscription Term.

Only Software designated as a 'server' product, as reflected in the Software's official product name and associated release notes, may be executed on a Device running a server operating system. For the sake of clarity, to the extent detailed in its release notes, Malwarebytes Incident Response may be executed on a server. Each instance of an operating system on a partitioned or virtualized machine shall count as a Device.

This Subscription shall be governed by the terms of the Malwarebytes Software License Agreement which can be found at <https://www.malwarebytes.com/eula> ("EULA"), unless you have entered into another mutually signed written license agreement with Malwarebytes ("Written Agreement"), in such case the Written Agreement shall govern. Subscription & Support fees begin on the later of the Subscription Start Date or the Signature Date. Renewal Subscriptions begin at the end of the Initial Term or subsequent Renewal Term. Subscriptions and Support fees are due for payment in accordance with the Payment Method and Payment Terms detailed herein. All Sales Order Forms and Quotations are subject to sales tax at prevailing local rates.

Malwarebytes Website Terms of Service

Last Updated: January 19, 2017

Welcome to the Malwarebytes Inc. ("**Malwarebytes**") website, malwarebytes.com (the "Site"). Please read these Terms of Service (the "Terms") carefully because they govern your use of our Site (and its subdomains) and related services accessible via our Site, excluding (i) the online store made available via the Site which is governed by separate Terms and Conditions, accessible at <https://store.malwarebytes.com/342/?scope=optandc> ; (ii) the purchase and use of our Malwarebytes Software which is governed by the separate End User License Agreement, accessible at <https://www.malwarebytes.com/eula> ; (iii) the Malwarebytes Privacy Policy accessible at <https://www.malwarebytes.com/privacy/> , and (iv) other separate written terms and conditions or policies governing specific Malwarebytes products or services (collectively (i)-(iv) the "Excluded Terms"). If there is a conflict between these Terms and the Excluded Terms, the Excluded Terms shall govern. To make these Terms easier to read, the Site and our services are collectively called the "Services."

Agreement to Terms

By using our Services, you agree to be bound by these Terms. If you don't agree to these Terms, do not use the Services. If you are accessing and using the Services on behalf of a company (such as your employer) or other legal entity, you represent and warrant that you have the authority to bind that company or other legal entity to these Terms. In that case, "you" and "your" will refer to that company or other legal entity.

Changes to Terms or Services

We may modify the Terms at any time, at our sole discretion. If we do so, we'll let you know either by posting the modified Terms on the Site or through other communications. It's important that you review the Terms from time to time because if you continue to use the Services after we have posted modified Terms on the Site, you are indicating to us that you agree to be bound by the modified

Terms. If you don't agree to be bound by the modified Terms, then you can't use the Services anymore. Because our Services evolve over time we may change, suspend or discontinue all or any part of the Services, at any time and without notice, at our sole discretion.

Who May Use the Services

Eligibility

You may use the Services only if you are 18 years or older, capable of forming a binding contract with Malwarebytes, and are not barred from using the Services under applicable law.

Registration and Your Information

If you want to use certain features of the Services, such as our forums, blog and support services, you must create an account ("Account"). You can do this via the Site or, in some cases, through your account with certain third-party social networking services such as Facebook or Twitter (each, an "SNS Account"). If you choose the SNS Account option we'll create your Account for the forums, blog or support services, as applicable, by extracting from your SNS Account certain personal information such as your name and email address and other personal information that your privacy settings on the SNS Account permit us to access. If you create an Account to participate in a public facing Service such as forums, you understand and accept that certain Account profile details, including but not limited to your profile name and photo will be available to the public as well as the posts and comments that you publish. We will respect the choices you make to limit visibility as designated in your Account settings.

It's important that you provide us with accurate, complete and up-to-date information and you agree to update such information, as needed, to keep it accurate, complete and up-to-date. If you don't, we may suspend or terminate your use of the Services. You agree that you won't disclose your Account password to anyone and that you will notify us immediately of any unauthorized use of your Account. You are responsible for all activities that occur under your Account, whether or not you know about them.

Feedback

Malwarebytes welcome feedback, comments and suggestions for improvements to the Services ("Feedback"). You can submit Feedback by emailing Malwarebytes at policies@malwarebytes.com. Any feedback you provide through the Services shall be deemed to be non-confidential. Malwarebytes shall be free to use such information on an unrestricted basis without any obligation to you.

Privacy Policy

Please refer to our Privacy Policy <https://www.malwarebytes.com/privacy/> for information on how we collect, use and disclose information from our users. By using our Services, you agree that Malwarebytes can use such data in accordance with our Privacy Policy. In connection with your use of the Services, we may send you service announcements, administrative messages, and other information. You may opt out of some of those communications.

Content and Content Rights

For purposes of these Terms: (i) "Content" means text, graphics, images, music, audio, video, works of authorship of any kind, and information or other materials that are posted, generated, provided or otherwise made available through the Services; and (ii) "User Content" means any Content that Account holders (including you) provide to be made available through the Services. Content includes without limitation User Content. For avoidance of doubt, "Content" does not include software made available by Malwarebytes via the Services.

Content Ownership, Responsibility and Removal

Malwarebytes does not claim any ownership rights in your User Content and nothing in these Terms will be deemed to restrict any rights that you may have to use and exploit your User Content. Subject to the foregoing, Malwarebytes and its licensors exclusively own all right, title and interest in and to the Services and Content, including all associated intellectual property rights. You acknowledge that the Services and Content are protected by copyright, trademark, and other laws of the United States and foreign countries. You agree not to remove, alter or obscure any copyright, trademark, service mark or other proprietary rights notices incorporated in or accompanying the Services or Content.

Rights in User Content Granted by You

By making any User Content available through Services you grant to Malwarebytes a non-exclusive, transferable, sublicenseable, worldwide, royalty-free license to use, copy, modify, create derivative works based upon, host, store, distribute, publicly display, and publicly perform your User Content in connection with operating and providing the Services and Content to you and to other users of the Services and to develop new Services. This license continues even if you stop using our Services.

You are solely responsible for all your User Content. You represent and warrant that you own all your User Content or you have all rights that are necessary to grant us the license rights in your User Content under these Terms. You also represent and warrant that neither your User Content, nor your use and provision of your User Content to be made available through the Services, nor any use of your User Content by Malwarebytes on or through the Services will infringe, misappropriate or violate a third party's intellectual property rights, or rights of publicity or privacy, or result in the violation of any applicable law or regulation.

We are not responsible or liable for the removal or deletion of (or the failure to remove or delete) any

of your User Content.

Rights in Content Granted by Malwarebytes

Subject to your compliance with these Terms, Malwarebytes grants you a limited, non-exclusive, non-transferable, non-sublicenseable license to download, view, copy, display and print the Content solely in connection with your permitted use of the Services and solely for your personal and non-commercial purposes.
