If the Contract Amount is paid from federal funds, this Contract is subject to Executive Order 11246 of September 24, 1965 and in such event the Equal Opportunity Clause set forth in 41 Code of Federal Regulations 60-1.4 is hereby incorporated by reference into this Contract as if set forth in full herein.

During the performance of this Contract, Contractor shall ensure that Subcontractors shall not discriminate against any employee, applicant or subcontractor because of race, color, national origin, age, religion, marital or parental status, political affiliations or beliefs, sex, sexual orientation, gender identity, gender expression, veteran status, genetic information, disability, or limitations related to pregnancy, childbirth, or related medical conditions. If the Contract Amount is paid from federal funds, this Contract is subject to Executive Order 11246 of September 24, 1965 and in such event the Equal Opportunity Clause set forth in 41 Code of Federal Regulations 60-1.4 is hereby incorporated by reference into this Contract as if set forth in full herein.

The Contract Administrator and Contractor may, at any time, by mutual agreement set forth in a written addendum, make changes in the time within which the Services are to be performed; the schedule of Progress Payments; and mutual Termination of the Contract.

#### ARTICLE X Termination for Convenience of the Board

The Board may terminate this Contract in whole or in part at any time by giving written notice to Contractor of such termination and specifying the effective date thereof, at least thirty (30) days before the specified effective date. The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

#### ARTICLE XI Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

## ARTICLE XII Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

## ARTICLE XIII Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

## ARTICLE XIV Contract Administrator

The Board shall appoint a Contract Administrator for the purposes of daily administrative decision-making pertaining to the Contract. If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. If the Board fails to give notice to Contractor of the appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.

## ARTICLE XV Right to Audit

The Board shall have the right to inspect and audit all accounting reports, books or records which concern the performance of the Services. Inspection shall take place during normal business hours at Contractor's place of business. Contractor shall retain all records relating to the performance of this Contract for five (5) years after the end of the term of this Contract.

## ARTICLE XVI Miscellaneous

- A. All Articles shall be construed as read, and no limitation shall be placed on any Article by virtue of its descriptive heading.
- B. Any notices or reports by one Party to the other Party under this Contract shall be made in writing, to the address shown in the first paragraph of this Contract, or to such other address as may be designated in writing by one Party to the other. Notices shall be effective when received if personally delivered, or three days after mailing if mailed.

- C. If any part of this Contract is held to be void, against public policy or illegal, the balance of this Contract shall continue to be valid and binding.
- D. This Contract shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky.
- E. No delay or omission by either Party in exercising any right under this Contract shall operate as a waiver of that or any other right or prevent a similar subsequent act from constituting a violation of this Contract.
- F. If the performance of this Agreement involves the transfer by JCPS to Contractor or Subcontractors of any data regarding any student that is subject to the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. 1232g as amended, ("FERPA"), Contractors agrees to and shall require Subcontractors to agree to:
- (i) In all respects comply with the provisions of FERPA, including any requirements of Chapter 99 of Title 34 of the Code of Federal Regulations and any other applicable state or federal law.
  - (ii) Use any such data for no purpose other than to fulfill the purposes of this Agreement, and not share any such data with any person or entity other than Evolve502 and its employees, contractors, volunteers, and agents, without the prior approval of JCPS. Disclosure shall be limited to only those employees, contractors, volunteers, or agents who are necessary for the fulfillment of this Agreement.
  - (iii) Require all employees, contractors, volunteers, and agents of Evolve502 to comply with all applicable provisions of FERPA with respect to any such data. Evolve502 shall require and maintain confidentiality agreements with each employee, contractor, volunteer or agent with access to data pursuant to this agreement.
  - (iv) Maintain any such data in a secure environment, whether physical or electronic, and not copy, reproduce, or transmit any such data except as necessary to fulfill the purposes of this Agreement. Evolve502 shall notify JCPS within 24 hours in the event of any data breach or disclosure of data to any person or entity other than the parties listed in this MOU.
  - (v) Collect, store, and maintain data in a manner that does not permit the identification of an individual student by anyone other than employees, contractors, or agents of Evolve502 necessary for the fulfillment of this Agreement and having a legitimate interest related to the purposes of this Agreement in knowing such personal identification, and not disclose any such data in a manner that would permit the identification of an individual student in any form, including, but not limited to, published results of studies.
  - (vi) Destroy or return to JCPS any such data obtained under this Agreement within thirty days (30) after the date by which it is no longer needed by Evolve502 for the purposes of this Agreement. Evolve502 will require all employees, contractors, volunteers, or agents of any kind to comply with this provision.
- G. Because this Contract requires Contractor and/or any employees, volunteers or staff of Contractor or Subcontractors access to community educational Project facilities on a regularly scheduled and

continuing basis for the purpose of providing services directly to a student or students, all individuals performing such services under this Contract and resulting subcontracts are required to submit per KRS 160.380 to a national and state criminal history background check by the Department of Kentucky State Police and the Federal Bureau of Investigation and have a letter, provided by the individual, from the Cabinet for Health and Family Services stating no administrative findings of child abuse or neglect found through a background check of child abuse and neglect records maintained by the Cabinet for Health and Family Services.

Contractor shall ensure partner organizations prohibit contractors, employees, interns and volunteers under this Contract and resulting Subcontracts from performing services under this

Contract and from remaining on the premises of a Project facility for any purpose under this Contract if the contractor, employee, intern or volunteer has been convicted of the following:

- (i) Any conviction for sex-related offenses;
- (ii) Any conviction for offenses against minors;
- (iii) Any conviction for felony offenses except as provided in number 6 below;
- (iv) Any conviction for deadly weapon-related offenses;
- (v) Any conviction for drug-related offenses, including felony drug offenses, within the past seven (7) years;
- (vi) Any conviction for violent, abusive, threatening or harassment related offenses; OR other convictions determined by the Superintendent/designee to bear a reasonable relationship to the ability of the applicant to serve as a volunteer.
- (vii) Contractors, employees, interns and volunteers under this agreement shall immediately notify the Project site administrator or the JCPS Volunteer Talent Center if they are convicted of or plead guilty to one of the criminal offenses listed above and shall immediately cease providing services under this Contract and shall not remain upon premises of a Project facility for any purpose under this Contract.

- H. Contractor shall be in continuous compliance with the provisions of KRS Chapters 136, 139, 141, 337, 338, 341 and 342 that apply to the Contractor or subcontractor for the duration of this Contract and shall reveal any final determination of a violation by the Contractor or subcontractor of the preceding KRS Chapters.
- I. For any projects, involving research, program evaluation, monitoring activities, or data collection of any kind, JCPS student or staff participation is voluntary. As a federally authorized Institutional Review Board (IRB), JCPS complies with the federal definition for research, which includes sharing of Personally Identifiable Information (PII) for the purpose of answering a question or evaluating activities for effectiveness beyond standard educational or operational procedures. Thus, all research and program evaluation and data collection activities must be approved by the JCPS IRB and shall not begin before approval is secured from the JCPS IRB.
- J. Board acknowledges that Contractor shall present this Contract for review and approval of Contractor's governing board of directors on or before May 31, 2021 and is subject to such approval.

IN WITNESS WHEREOF, the Parties hereto have executed this Contract to be effective as of May 12, 2021.
