SBDM Request for May 2021 Meeting
Prom 2022 Request

We are requesting permission to plan prom for Friday, April 22, 2022. After looking at several venues we have selected General Butler State Resort Park Conference center.

This location is very cost effective while still offering the same amenities. The estimated quote for prom is attached. This includes dinner, soft drinks and water, dessert, and the conference center rental fee. This price is significantly lower than the current venue for 2022.

Thank you.
