RE: Kentucky Chamber Membership Renewal

We have been a member of the Kentucky Chamber since May 2014. As a member, the district receives member discounts especially with Kentucky Employer's Mutual Insurance (KEMI). KEMI is the district provider for Workers Compensation Insurance. The credit amount as a Chamber member is 10%. This is a significant savings on our premium amount. The membership amount is \$2,000. This membership amount offsets the savings discount. I ask the Board to approve the Kentucky Chamber Membership renewal.
