Facilities, Transportation, Safe Schools and Healthy at Work

Transportation:

- Senior Week transportation has been arranged for this week.
- Drivers and monitors completed SCM training.
- Preparing for Summer School and M&M school. All student's names submitted have been pulled and will be assigned buses. This will go out to parents beginning May 31st.
- Training dates for 8 - hour update, etc... have been completed.

Facilities:

- Bid on the roof replacement for NIS has been released.
- I have received pricing on completing the third - floor flooring at NIS.
 - NORA 2mm 24"x24" rubber tile: \$137,730.00
 - NORA 3.5mm GRANO 39.5"x39.5" rubber tile: \$179,295.00
- Waiting on pricing for 2 sections of classrooms at NHS and SPED department flooring.
- Working with Tech Dept to cut out lettering for all outside doors to complete our security work.

Safe Schools

- Silco is completing the final items on the doors at the Welcome Center this week.

Healthy at Work

- Mr. Watts and Board will need to make a decision on masking for Summer School programs so we can communicate to the schools, parents and students.
