DISTRICT FACILITIES PLAN HEARING REPORT**

A public hearing was held at the Meniffee Co. Elementary Media Center 02/22/21 at 5:30 P.M. (local time). The purpose of the public hearing was to propose a District Facility Plan developed by the Meniffee County Local Planning Committee. The Local Planning Committee (LPC) voted 13-0 in favor of the proposed draft plan and the Board of Education voted 5-0 to approve the draft plan.

There was one individual in attendance. Tim Eaton, KSPMA Facilitator, served as the locally appointed hearing officer. Maynard Stevens, the district Technology Coordinator was present.

COMMENTS

Tim Eaton called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001 . It was explained that those persons wishing to speak would have been given the opportunity and that written statements would have been accepted. All considerations would have been made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer highlighted the draft DFP. The main components of the plan are as follows; Capital Construction Priorities le., major renovation of the 1992, 1997, and 1998 portions of Meniffee County High. Under item 2, major renovation at Botts Elementary to house preschool and the alternative program. Under Management Support areas, construction of a new Central Office, Bus Garage and Central Storage facility are listed. Finally, under Discretionary Construction projects it lists construction of a New Soccer / Track Complex with bleachers, concessions, press box, restrooms and parking.

There were no written comments submitted prior to the hearing.

RECOMMENDATIONS

It is recommended that the new District Facility Plan as developed by the Meniffee County Local Planning Committee and adopted by the Meniffee County Board of Education be approved as the District Facility Plan for the Meniffee County School District. A copy of the new plan is attached.
