SBDM Meeting April 20, 2021 3:15 -In Person

Opening Business

- a. Approval of the Agenda -Motion to approve made by Amy Jennings, Tammy Fain seconds. Consensus met.
- b. Approval of previous meeting's minutes- Motion to approve made by Melissa Crowe, Andrea Brin seconds. Motion carries.
- c. Good News Report -we are back to "normal!" There are fun activities planned for the end of the year, like a big screen to watch a movie on. We were able to order yearbooks for students (we didn't think we could get them in time for the end of the year). The school is donating the yearbooks to students this year.
- d. Public Comment -none

Student Achievement Report/Data

- a. **School Improvement Planning** - Objectives- we will write our objectives when we learn about the state's new format for accountability because a new format will be mandated based on how we are held accountable as a school. We've written a grant to obtain funding for training several teachers in math through the Kentucky Center for Mathematics (KCM). The grant has been verbally guaranteed, but we haven't heard when we will receive funds.

- b. **School Improvement Planning** - [Professional Development](#) -
