Special Education

Whereas, the "First Party" is responsible for serving the needs of children with disabilities, ages 3 to 21, inclusive, who reside within its school district, and have the resources to provide certain services to approved programs providing services to children with identified disabilities; and whereas, the "Second Party" is licensed in the state of Kentucky to provide services to preschoolers with identified disabilities; now, therefore, both Parties will agree to provide direct and indirect services as named in this agreement.

The "Second Party" will continue to provide funds and personnel to obtain and/or monitor physical exams, dental exams, mental health services, social services, parent involvement, and education services in the least restrictive environment. The "Second Party" management staff will supervise field staff providing these services.

- Evaluation

The Admissions and Release Committee will meet to discuss screening and/or KSI/RTI results and the need for diagnostic assessment. The committee shall include the parents, a chair-person from the LEA, the teacher of the child, a Head Start representative, a person who can interpret the instructional implications of evaluation results, and related services personnel, as appropriate.

All of the “First Party” due process forms will be used by both parties to ensure that the “First Party’s” requirements are met and to assist in the transition process from Head Start to kindergarten. Copies of these documents will be given to “Both Parties” at the end of each ARC meeting.

The parent will be informed of the screening results by the “Second Party” representative. The “First Party’s” chairperson will inform the parents of their legal rights, tests to be administered, and obtain signed permission for further testing, after determining legal student representative.

The “Second Party” will provide and/or pay for services as determined by the ARC in the areas of health, hearing, and vision.

The “First Party” will complete tests as indicated by school district policy. Notification of the results of evaluation will be explained at the ARC meeting following the testing, and before any placement.

The ARC will be responsible for determining if a child is eligible for special education services. Signed Permission will be obtained, by the “First Party,” from the parent or student representative, to develop an Individual Education Plan. The “First Party” will guide the development of the I.E.P. and provide speech/language, physical therapy, occupational therapy, consultation to “Second Party” Staff, and other services named in the plan.

The “Second Party” will be responsible for providing regular classroom instruction and ongoing assessment. The classroom teacher will be assigned to provide individualized instruction, as indicated by the I.E.P. Head Start Special

- Admission and Release Committee Meeting

Both parties will attempt to schedule ARC meetings at mutually agreeable times.

The “First Party” Special Education Director/Designee will chair the ARC meetings. Representatives of the “First Party” will explain the diagnostic report, provide a draft of the I.E.P. for consideration by the committee, provide therapy services, and consultative services to staff and parents.

The “Second Party” will provide classroom observation(s), if requested, on each identified child, and any other pertinent information on file with parental permission. The classroom staff will provide information from educational assessments and report on any issues relating to classroom performance.

Both parties will retain comprehensive files on each diagnosed child.

Any special nutritional needs or specialized equipment based on those needs will be determined on an individual basis and planned by the “Second Party’s” disability and health managers or consultants as written on the child’s I.E.P. Head Start will be responsible for meeting those needs.

- Transition

Head Start collaborates with the parents, and the local agency responsible for implementing the Individuals with Disabilities Act (IDEA), to support the child and family as they transition to a new setting.

A transition meeting is held for each child diagnosed as Developmentally Delayed. The parent, ARC Chairperson, Head Start Special Needs Collaborator, Head Start Teacher, and Preschool Therapist as appropriate will attend the meeting.

First Steps will conduct a transition meeting for each child with an Individual Family Service Plan. The parents, First Steps, Preschool and/or Head Start representative will attend the meeting. The parents will ask First Steps to invite the program(s) they are interested in their child attending. The early intervention team representatives will meet to discuss various services and options for which the child may be eligible. With parent consent, the child will be evaluated by the Local Education Agency to determine if an Individual Education Plan is appropriate.

Parents will be advised of both program’s options and of legal rights during all proceedings.
