#### **RECOMMENDATION:**

It is our recommendation that the Boone County Board of Education's terminate the contract with KSBA for the following reasons: delay in data being accessible from Infinite Campus, cumbersome data collection and graphing capabilities, use of the program is time consuming and not user friendly. It is our recommendation that the Boone County Board of Education enter into a contract with InfoHandler and receive services from ezEdMed since that is the subscription service we had used prior to the 2020-2021 school year and it was an effective and efficient system in which we could bill for Medicaid services.
