

Lil' Rascals Learning Campus will apply for a Type 1 child care license to the Division of Regulated Child Care under LRLC. It is our intention to be able to run both a full day program or an after school program from Camp Dick Robinson Elementary School depending on the need and desires of both parties.

As a well established and successful childcare business in Garrard County, we are proposing to care for children at Camp Dick Robinson Elementary School. We would offer our services to parents of Pre-k through 5th Grade students, Monday-Friday from 2:45pm until 6:00pm.

We will carry general liability insurance naming Camp Dick Robinson Elementary as additional insured as well as workers compensation for our employees. All LRLC staff will have appropriate background screening, child abuse neglect checks and CPR/First Aid certified before being employed. We will follow all KY child care regulations, DRCC's Covid guidelines and any other guideline set forth by Camp Dick Robinson Elementary School and/or Garrard County Board of Education.

We would like to utilize several areas in the school and will work closely with Principal Lawson to agree upon spacing. We will work with any teacher to provide tutoring help to any child. We will care for the facility as if it was our own and aim to grow a wonderful partnership that will provide academic support to all children needing services.

A sample of a full day/part day schedule and lesson plan have been provided for your review.

You may contact us any time by phone 859.548.2118 and or email rascalslearningcampus@gmail.com

Sincerely,

Crystal Justus
Tanah Leadingham
Owners of Lil' Rascals Learning Campus
