## **KY's Kindergarten Readiness Definition**

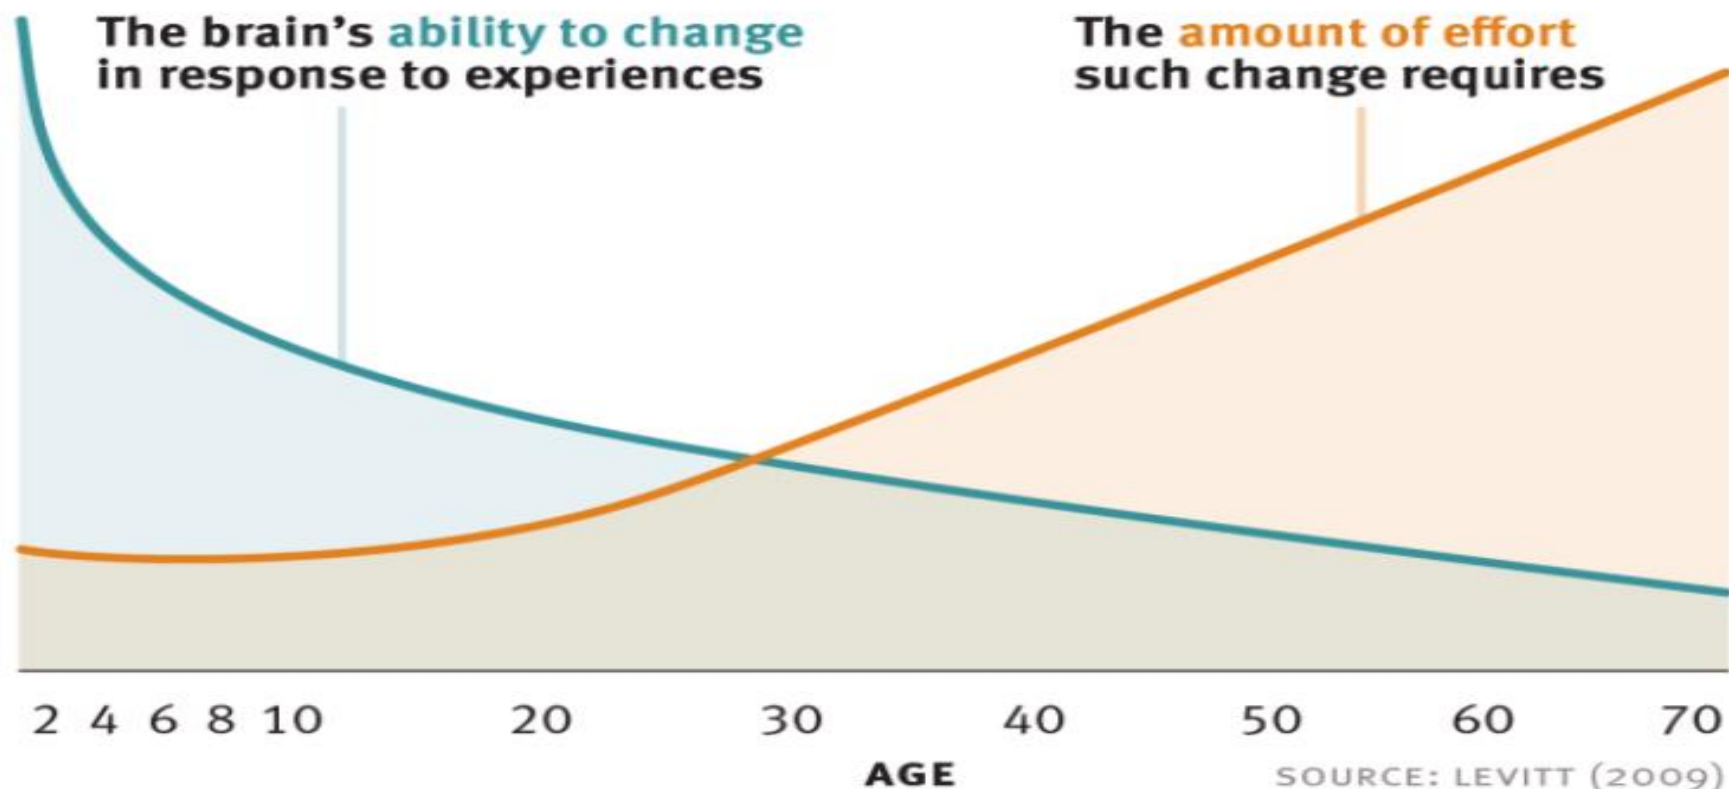

**School readiness means each child enters Kindergarten school ready to engage in and benefit from early learning experiences that best promote the child's success.**

# Before age 5

90% of a child's brain development happens

It is easier and less costly to form strong brain circuits during the early years than it is to intervene or “fix” them later.

# KCSD Preschool Eligibility

The family must reside in the Kenton County School District in order to attend the preschool program. The program is available at no cost to the family (other than lunch fees if the child is not free lunch eligible).

The Kenton County Preschool Program is an enriching program serving children who meet eligibility criteria as defined by the Kentucky Department of Education. The preschool program is available to

- Four-year-old children who are income eligible, 160% poverty level.
- Three and four-year-old children with an educational disability due to delays in their development, regardless of income.

Tuition application is available for Kenton County Employee Children who are 3 or 4 years old provided space is available.
