Sites recruit high school students aged 17 and older who will have the opportunity to gain career experience and serve their community while earning an education award they may use at any institution that accepts federal financial aid. Selected students will be enrolled as AmeriCorps members with the task of supporting school, district or local food relief programs. FRYSC AmeriCorps will be working with coordinators this summer to get the foundations for the program in place.

FRYSC Corps requests some in-kind donation of supervision and workspace. There is not a cash cost to this program.

Here are your next steps.

1. A Memorandum of Understanding is provided with this letter. It must be reviewed in your district and signed by the superintendent.
2. A copy of the signed MOU should be returned to FRYSC AmeriCorps before students may begin their service. Service may start no earlier than September 1, 2021. Please return the signed MOU and in kind verification by August 31, 2021.
3. Signed MOUs and completed in kind verifications should be returned by mail or scanned and emailed.

and
FRYSC CORPS YSC Youth Program

This agreement is entered into between Legal Applicant FRYSC CORPS and Estill County School System for the 2021-2022 AmeriCorps program participation. The following is understood and agreed to by the parties:

STATEMENT OF PURPOSE

FRYSC CORPS is the AmeriCorps project of Ohio Valley Educational Cooperative Studies in partnership with the Division of Family Resource and Youth Services Centers (FRYSC). FRYSC CORPS is funded in part by the Corporation for National and Community Service (hereafter referred to as CNCS) through the Kentucky Commission on Community and Volunteer Service (hereafter referred to as KCCVS).

FRYSC CORPS offers the **YSC Corps**, a service organization that provides opportunities for U.S citizens (hereafter referred to as "member") from the age of 17 and up, to contribute service in his or her own community. YSC CORPS members serve in high schools providing support to Youth Services Centers, schools and community non-profit organizations. Members support school, district and community food insecurity projects and mobilize community volunteers. The program has three major objectives in areas of getting things done, strengthening communities, and member development, as outlined in the FRYSC CORPS grant.

FRYSC CORPS MISSION STATEMENT

FRYSC CORPS is an AmeriCorps project, with members committed to serving the children of Kentucky in partnership with caring families, supportive schools and resource centers, active communities and dedicated volunteers, providing literacy-rich opportunities to assist K-12 students in improving their reading skills, benefiting their entire lives.

FRYSC CORPS is the AmeriCorps project of the Ohio Valley Educational Cooperative. FRYSC CORPS is funded in part by the Corporation for National and Community Service through the Kentucky Commission on Community and Volunteer Service.

FRYSC CORPS is an equal opportunity employer.

I. PARTNER DISTRICT ROLES AND RESPONSIBILITIES

- A. **In Kind:** Provide financial support for in-kind match cost of members In-kind funds provided to the FRYSC Corps are intended as restricted donations to support all expenditures of FRYSC Corps programs, regardless of whether the expenses are deemed allowable under the provisions of 2 CFR 200, Subpart E. Examples of in-kind contribution include supervision for member(s) provided by the FRYSC Coordinator or approved delegate, work space, event or office supplies for member use, and mileage costs for member travel for service projects.
- B. **Site Supervision:** The partner site provides site supervision of the FRYSC YSC Corps member. The Family Resource or Youth Service Center Coordinator serves as the site supervisor. Site supervisors receive FRYSC CORPS orientation information and a site supervisor's guide as well as technical assistance from program staff. They are expected to adhere to the policies and procedures contained therein. The school principal may assume or appoint another school employee to site supervision of the FRYSC CORPS member if the FRYSC Coordinator is unable to fulfill that role. The partner site must immediately notify FRYSC Corps of all supervision changes. The FRYSC Corps program year begins September 1, 2021 and ends August 31, 2022.
- C. **Site Supervisor Criminal History:** The site supervisor must agree to complete the National Service Criminal History Check as outlined by CNCS. The cost of the NSCHC is payable by FRYSC AmeriCorps. The results of the check are maintained by the FRYSC Corps. If the site supervisor completed the NSCHS they are not required to renew the NSCHC unless more than 120 days have elapsed since the individual served as the site supervisor.
- D. **Recruiting:** Sites are responsible for recruiting potential AmeriCorps/FRYSC CORPS members. A FRYSC Youth Service Corps application is required as the first step in this process. Sites should interview applicants for the position(s). The site supervisor and/or applicable school & district staff will select the candidate they prefer for their site. Final approval must come from the FRYSC CORPS staff.
- E. **Civil Rights / Equal Opportunity Policy:** The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, partner sites, programs and/or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached

at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through <http://www.nationalservice.gov/>.

- F. **Member Criminal History:** FRYSC Corps has an expectation that students identified by their school or school district as a reasonable threat to other students absolutely may not serve as a FRYSC YSC Corps member. Additionally, all applicants aged 18+ for FRYSC YSC Corps positions must agree to a criminal history check in order to participate in the YSC Corps. It includes a search of the Department of Justice's Sex Offender database, a search of state of service criminal history repository and from the repository of the applicant's state of residence if different; a fingerprint based check submitted for a national search through Fieldprint or the Kentucky State Police. The FRYSC Corps bears the cost of the search. District initiated criminal history checks cannot substitute the NSCHC. FRYSC Corps will provide a clearance letter when the individual's results are adjudicated.
- G. **Member Terms of Service:** FRYSC CORPS members are contracted to serve through the Ohio Valley Educational Cooperative regardless of the district they serve. Therefore, THE FRYSC CORPS staff must work with site supervisors to hire, terminate, reprimand, etc. members. Media identifying students who are NOT under FRYSC Corps contract will not be shared without school district permission. Media identifying YSC Corps members who have agreed to our media policy may be shared.
