Dear Mr. Saylor:

Rosstarrant Architects and its consultants have reviewed the bids recently submitted on May 20, 2021, and June 10, 2021, for the above referenced project, take no exceptions to the information submitted and recommend acceptance of those bids and entering into contracts with each successful bid package contractor. Upon our review of the forms of proposals and bid tabulation form, we recommend acceptance of the base bid and alternates 2, 3, 5, 6, and 10 in the total amount of \$11,749,774.

As always, it is a sincere privilege to serve the district through the improvement of facilities that enhance educational opportunities and outcomes.

Sincerely,
