

June 2021 Live RED Report

District News

Family First/Cardinal Connection

Family First and Cardinal Connection partnered with Livingston Hospital and Healthcare services, inc. to bring community physicals. Several kids and adults received free physical exams and mental wellness screenings. Upcoming, we have “Wet n Wild Wednesdays” at Venture River in July. Bus transportation is available for incoming 6th grade through high school students. We also have several family discount cards available. If you would like more information, contact Cardinal Connection or Family First.

South Livingston

We are thankful for the bicycle donations provided by local masonic lodges that are typically rewarded to students with perfect attendance. However, with Covid changing how the district looked at attendance, SLES chose to give those bikes out to one student in each grade level who showed the most overall academic growth through the year. Students who were awarded bikes were:

K: Kyndal Bynum

1st: Tuff O'Brien

2nd: Jackson Massey

3rd: Aaron Maxfield

4th: Payton Darnell

5th: Daylan Clevenger.

**A bicycle was also awarded to 5th grader Nathan Downs for being the SLES student with the most Accelerated Reader points this school year.

Mrs. Lorie Stephenson's 2nd Grade class worked hard this year in Reading. In fact, they worked double time! Every student in her class made 200% of their AR reading goal! Those students got the chance to celebrate with cake! Mrs. Stephenson is VERY proud of her students and their success!!

After serving for 15 years as the Library Media Specialist at SLES (on top of years serving kids in other states), Mrs. Teri Walker is retiring. Mrs. Walker will be missed greatly. However, we look forward to her returning to our building as a substitute teacher for as long as she's willing. One thing's for sure: No One Rocks Cat Ears like Teri Walker!

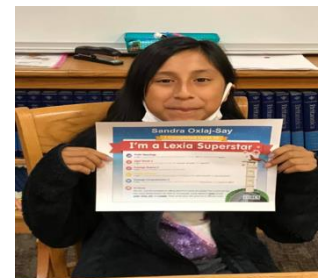

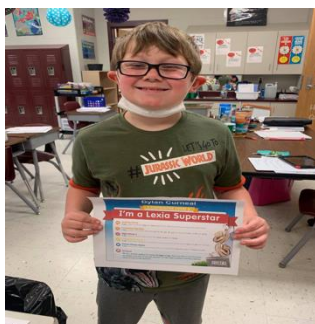

After serving the Livingston County School District for 21 years and spending the last six at SLES, our Cafeteria Manager, Cecilia Tabor is calling it a career. Affectionately known by many as "C", her firm but fair demeanor, wry smile, and love for the kids will certainly be missed.

SLES is proud to announce the hiring of Mrs. Kayla Hatcher as its new Library Media Specialist. Mrs. Hatcher has been teaching for seven years and has experience teaching primary and intermediate grade levels. She received her Bachelor's and Master's degrees from Western Kentucky University. From WKU, she also earned a Rank 1 in libraries, informatics, and technology in education with a technology endorsement. This past school year she served as a digital

learning coach at Ballard County Elementary School. Mrs. Hatcher is excited to share her love of technology with the teachers and students at SLES. Her love of books, reading, and lifelong learning began when she was a child, and she cannot wait to pass that love on to the students of SLES. In her free time, Mrs. Hatcher plays quite a bit of tennis, spends lots of time with family and friends, and reads as much as she can!

Mustang Academy Summer School was a success at SLES. Our staff served about 35 students per day over the three week period. The smaller class sizes were key in allowing our teachers to zero in on reinforcing skills with those kids who needed more focused attention. We saw several students level up in Lexia or Dreambox over this time. The kids also enjoyed the meals our food service staff put in hard work to prepare for them.

LCMS

On Thursday, May 20th Livingston Co. Middle School celebrated the 2021 eighth grade class with a promotion and awards day. Congratulations to all who participated!

Congratulations to the LCMS softball players for advancing to the 2nd Region Softball Tournament. LCMS varsity softball players are: Emersyn Ramage, Hadley Hargrove, Nevaeh Grimm, Mikaela Holman, Aubrey Leahy, Olivia Gunder, and Serenity Owens.

LCHS

The Cardinals did an amazing job playing in the regional tournament. They fell short to Madisonville-North Hopkins but have shown amazing grit this season. Congrats girls on a job well done.

We would like to congratulate Victoria Joiner on being named to the 2nd Region Softball team. Tori has worked very hard, and it shows.

A huge shout out to the LCHS Track team. They completed in regionals with the following placements:

4x800: 2nd place-Carson Kitchens, Jack Thomasson, Machi Davidson, Robert Schmitt

Long jump 13.6: 6th place-Jansen Freeman

110 hurdles: 5th place-Ryder Watson

Girls 4x200: 5th place-Jansen Freeman, Bella Freeman, Sophie Michonski, Lexi Waters

Boys 4x200: 6th place-Talon Sanchez, Aiden Morgan, Robert Schmitt, Jack Thomasson

1600M: 2nd place-Carson Kitchens, 6th place- Robert Schmitt

Girls 4x100: 6th place-Jansen Freeman, Sophie Michonski, Lexi Waters, Angel Michonski

800M: 2nd place-Carson Kitchens

3200: 1st place-Carson Kitchens Champion

A job well done to these guys who finished at state setting a new school record. They finished 10th in the class 1A.

The boy's basketball team participated in a three day camp at Bethel university. They finished camp with a record of 7-2. Varsity (5-1) and JV (2-1). We look forward to watching them play this season.

Congratulations to Ms. [Greta Ramage](#) on her retirement from LCHS. She will be missed. We wish her the best of luck.

Congratulations to our graduating class of 2021. We couldn't be more proud of all their hard work.
