ACTION/DISCUSSION ITEM: Approve agreement between the Floyd County Board of Education and SAVVAS (formerly Pearson) enVision to provide Mathematics curriculum, teacher and student resources as well as digital resources (6 years) for all students Grades K-12.

APPLICABLE STATUTE(S), REGULATIONS OR BOARD POLICY: Board Policy states that only the Board of Education may enter into contracts and agreement.

FISCAL/BUDGETARY IMPACT: The cost of \$678,695.58 will be paid from ESSER Funds. This price contains a 10% discount and will be available to all students, K-12, in all Floyd County Schools.

ISSUE BACKGROUND: The Floyd County School District is developing a systemic curriculum for Mathematics. This process had begun pre-pandemic with the creation of a districtwide mathematics curriculum map. The District staff as well as school administrators and teachers met with SAVVAS enVision and reviewed the available text, materials, and other resources. Also, the weeks following, materials were delivered to schools for review, high school teachers met at central office to review the available high school resources, and many conversations have occurred before a final decision was made. It has been decided that SAVVAS enVision Mathematics curriculum would benefit teaching and learning tremendously.

RECOMMENDED ACTION: Approve contract agreement between Floyd County Public Schools and SAVVAS Learning Company.
