RE: CF Educational Solutions: MindPlay

The Bullitt Virtual Learning Academy (BVLA) is looking to assess student reading levels for enrolled BVLA students for the 2021-2022 school year to provide teachers with some initial formative data to help meet the needs of individual students and throughout the school year.. Attached is a service agreement for MindPlay Universal Screener for up to 301 licenses for a total of \$2357.00. The agreement will be funded through our ESSER related to programs specifically budgeted for the BVLA. Approval is requested for the software agreement between Bullitt County Public Schools and CF Educational Solutions.
