Re: Recommendation of Award
Central Hardin High School Addition & Renovation
BG #20-136 | Alliance Job # 20-036

Ms. Morgan,

On Thursday, June 3, 2021 and Tuesday, June 22, 2021, the Hardin County Board of Education received bids for the Central Hardin High School Addition/Renovation project. We have reviewed the bids and related documents submitted by the bidders. The total base bid plus selected alternates is \$46,415,944.00. After careful consideration, Alliance Corporation recommends the award of contracts based upon the attached Contract/PO Summary.

We look forward to moving forward with this upcoming project.

Very truly yours,

RE: Hardin County Schools
Central Hardin High School Addition and Renovation – Phase 1 – (BG# 20-136)
Receipt of Bids – Review and Analysis

Dear Ms. Morgan:

On Tuesday June 22, at 2:00 PM, the final bids were received for the above referenced project.

A copy of the bid tabulation including all bid alternates has been prepared by the Construction Manager, Alliance Corporation. The total of all bidders, plus selected alternates was \$46,415,944.00. This translates to \$278.41 per square foot, which is 1.35% above the 2021 KDE unit rate of \$274.69 per square foot for a high school. After review, the bids appear to represent a good market value for Hardin County Schools.

JRA Architects has reviewed the Form of Proposals, dated, and associated bid documents submitted for Central Hardin High School Addition and Renovation – Phase 1 – (BG# 20-136). This letter summarizes our bid evaluation and recommendations.

The Form of Proposal documents submitted appear to be properly executed. The bidders have acknowledged receipt of addenda and have completed the Lump Sum Proposal page. The bidders have signed the Form of Proposal and a Bid Bond has been provided.

Unit Prices

Unit prices were requested, have been reviewed, and are acceptable.

Primary List of Proposed Subcontractors

The apparent low bidders have listed subcontractors on their proposal as required. The list of subcontractors has been reviewed and is acceptable.

List of Materials and Equipment

The List of Materials and Equipment, has been reviewed by JRA Architects and other appropriate design team consultants. The list of materials and equipment has been reviewed and is acceptable. Subject to compliance with contract document requirements, we find the materials and equipment proposed for use on the project to be acceptable.

Summary

JRA Architects, along with the other project consultants, have thoroughly reviewed the Form of Proposals. Based on the BG-1, JRA Architects recommends acceptance of all apparent low bidders and selected Alternates for the contract amount (with direct purchase orders) of:

\$46,415,944.00 for the Central Hardin High School Addition and Renovation – Phase 1 – (BG# 20-136)

The Bid evaluation is based on the information contained in the bidder's Form of Proposal submittals and other information made available to the design team at the time of the bid review. This evaluation is not intended to certify that the bidder has or will comply with all contract requirements. It is expected that during the submittal phase of the project the bidder will furnish complete shop drawings, samples, project data and other information as necessary to fully document compliance with project requirements.

Respectfully submitted,

JRA Architects
