**FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION (FMCSA) DRUG AND ALCOHOL CLEARINGHOUSE**

The Clearinghouse is a secure online database that gives employers, the FMCSA, State Driver Licensing Agencies (SDLAs), and State law enforcement personnel real-time information about commercial driver's license (CDL) and commercial learner's permit (CLP) holders' drug and alcohol program violations. The Clearinghouse enables employers to identify drivers who commit a drug and alcohol program violation while working for one employer, but who fail to subsequently inform another employer (as required by current regulations).

<https://www.fmcsa.dot.gov/>

The District must not employ a driver subject to controlled substances and alcohol testing to perform a safety-sensitive function without first conducting a pre-employment query of the Clearinghouse to obtain information about whether the driver has a verified positive, adulterated, or substituted controlled substances test result; has an alcohol confirmation test with a concentration of 0.04 or higher; has refused to submit to a test in violation of law; or that an employer has reported actual knowledge, as defined by federal regulation, that the driver used alcohol on duty, used alcohol before duty, used alcohol following an accident, or used a controlled substance, in violation of federal regulations.

The District must conduct a query of the Clearinghouse at least once per year for information for all CDL drivers subject to controlled substance and alcohol testing to determine whether information exists in the Clearinghouse about those employees. The District shall not allow a driver to perform any safety-sensitive function if the results of a Clearinghouse query on the driver demonstrate a disqualification as provided by regulation and described above and such driver may be subject to personnel action up to and including termination.

Reporting of the following information on individual drivers to the federal Clearinghouse is required: verified positive, adulterated, or substituted test results; confirmed alcohol tests at .04 or higher; refusal to submit to required tests; the reporting of actual knowledge (as defined by federal regulation) of Department of Transportation (DOT) regulatory violations, including violations based on prohibited on duty, pre-duty, or post-accident alcohol use and controlled substance use; and regulatory return to duty and follow-up testing information as applicable.

**TESTING**

All covered applicants and employees shall be subject to pre-employment testing (controlled substances only), and reasonable suspicion, random and post-accident testing for drugs and alcohol. Return-to-duty and follow-up testing shall also be required.

All offers of employment with the District shall be made contingent upon testing results. An applicant who tests positive shall not be employed.

**School Bus Drivers' Use of Tobacco and Other Substances****TESTING (CONTINUED)**

Current employees who test positive shall be subject to immediate disciplinary action up to and including dismissal in accordance with Board policy and administrative procedures. A school bus driver, substitute driver, school bus mechanic or anyone performing safety-sensitive pupil transportation duties who tests 0.02 percent or higher on the confirmation alcohol test immediately before, during, or immediately following the performance of these duties shall be relieved of these duties immediately. (School bus drivers found under the influence of alcohol or any illegal drugs while on duty or with remaining driving responsibilities that same day shall be dismissed from employment in accordance with Kentucky Administrative Regulation and Board policy and shall not be eligible for reemployment in a safety-sensitive student transportation position for five [5] years).

Deleted: D

Deleted: .

Employees who test positive shall be notified of referral services. Additionally, employees shall be subject to CDL prohibitions and penalties under the Omnibus Act and applicable Federal Motor Carrier Safety Regulations.

Applicants who refuse drug and alcohol testing shall be terminated immediately from employment consideration. Current employees who refuse to comply with testing requirements will be regarded as insubordinate and shall be subject to disciplinary action, up to and including dismissal.

Refusal to submit to an alcohol or controlled substance test means that the individual demonstrated noncompliance, including but not limited to the following actions:

- Failed to appear for any test within a reasonable period of time as determined by the employer and consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a sample specimen for any required test;
- Failed to provide a sample in an amount sufficient for testing without an adequate medical reason for the failure;
- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or
- Adulterated or substituted a test result as reported by the Medical Review Officer.

**TESTING COSTS**

Pre-employment drug testing costs shall be paid for by the District. All current employee drug and alcohol testing including reasonable suspicion, random and post-accident testing costs shall be paid for by the District.

**School Bus Drivers' Use of Tobacco and Other Substances****MATERIALS TO BE PROVIDED**

The Superintendent/designee shall distribute educational materials to explain state and federal legal requirements for alcohol and controlled substance testing of CDL drivers and the district's policies and procedures to implement it and answer questions about the materials. Materials shall meet content requirements of state and federal regulations, including information on required reporting to the federal Clearinghouse, and shall be distributed to each driver prior to the start of alcohol and controlled substances testing each year and to each driver subsequently hired or transferred into a position requiring driving a commercial motor vehicle. Each employee is required to sign a statement certifying that s/he has received a copy of these materials. If the District recognizes an organization to represent bus drivers, the District shall provide written notice to representatives of the organization of the availability of this information.<sup>3</sup>

### **Harassment/Discrimination**

#### **DEFINITION**

Harassment/Discrimination is unlawful behavior based on race, color, national origin, age, religion, sex (including sexual orientation or gender identity), or disability that is sufficiently severe, pervasive, or objectively offensive that it adversely affects a student's education or creates a hostile or abusive educational environment.

Discrimination based upon race, color, national origin, age, religion, sex or disability can consist of harassment which creates a hostile environment. Examples of harassment/hostile environment include offensive conduct such as racial or ethnic slurs, racial or gender based "jokes", derogatory comments or other verbal or physical conduct based upon an individual's race, color, descent, national or ethnic origin, age, religion, sex or disability. Prohibited discrimination also includes any distinction, exclusion, restriction or preference based on race, color, descent, national or ethnic origin, age, religion, sex or disability of a student which has the purpose or effect of nullifying or impairing the recognition, enjoyment or exercise on an equal footing of educational opportunities, human rights and fundamental freedom.

The provisions of this policy shall not be interpreted as applying to speech otherwise protected under the state or federal constitutions where the speech does not otherwise materially or substantially disrupt the educational process, as defined by policy 09.426, or where it does not violate provisions of policy 09.422.

Reports of harassment/discrimination may also be made directly to the Superintendent or the District Harassment/Discrimination Coordinator. Complaints of harassment/discrimination, whether verbal or written, shall lead to a documented investigation and a written report. The term "REPORT" as used in this policy includes reports of harassment/discrimination which are made either orally or in writing.

All reports made to the Principal or Harassment/Discrimination Coordinator shall be communicated by them to the Superintendent, or where applicable to the Board Chairperson, in writing within one (1) working day of receipt. Employees who observe prohibited behaviors or with whom students share a complaint shall notify the Superintendent, Principal or the Harassment/Discrimination Coordinator.

Employees who believe prohibited behavior is occurring or has occurred shall notify the victim's Principal, who shall immediately forward the information to the Superintendent.

The Superintendent or the Chairperson of the Board, as the case may be, shall provide for the following:

The investigation shall be performed by the Harassment/Discrimination Coordinator or another formally trained investigator acting under his direct supervision. The investigation of allegations involving the Superintendent shall be conducted by a formally trained investigator or attorney not employed by the School District. Investigations shall include the right of the complainant to present witnesses, documents and other evidence in support of the complaint. A written report of all findings of the investigation shall be completed within thirty (30) calendar days, unless additional time is necessary due to the matter being investigated by a law enforcement or governmental agency.  
The Superintendent/designee may take interim measures to protect complainants during the investigation.
2. A process to identify and implement, within five (5) working days of the submission of the written investigative report, methods to correct and prevent reoccurrence of the harassment/discrimination, including disciplinary action where appropriate. If corrective action is not required, an explanation shall be included in the report.
3. A process to be developed and implemented to communicate requirements of this policy to all students, which may include, but not be limited to, the following:
  - written notice provided in publications such as handbooks, codes, and/or pamphlets; and/or
  - such other measures as determined by the Superintendent/designee.
