Re: Pioneer Valley Books

Attached you will find an agreement between Bullitt County Public Schools and Pioneer Valley Books which provides us the online version of Digital Literacy Footprints that allows our K-2 students to participate in guided reading, access texts, and participate in reading activities that include the five components of literacy. The district purchases Digital Literacy Footprints for students in K-2 and students who needs are best met using an online program. The cost is \$11,524.00 which will be funded through ESSER. Please approve the requested agreement between Bullitt County Public Schools and Pioneer Valley Books.
