In applicable cases, employees must report harassment/discrimination to appropriate law enforcement authorities in accordance with law.¹

Harassment/Discrimination**GUIDELINES (CONTINUED)**

The Superintendent shall provide for the following:

4. A process to be developed and implemented to communicate requirements of this policy to all staff, which may include, but not be limited to, the following:
 - written notice provided in publications such as handbooks, staff memoranda, and/or pamphlets;

5. Implied or overt threats of physical violence or acts of aggression or assault based on any of the protected categories;
6. Seeking to involve individuals with disabilities in antisocial, dangerous or criminal activity where they, because of disability, are unable to comprehend fully or consent to the activity; and

If a supervisory staff member is an alleged party in the harassment/discrimination complaint, provision shall be made for addressing the complaint to a higher level of authority.

Failure by employees to report, notify, and/or initiate an investigation of alleged harassment/discrimination as required by this policy or to take corrective action shall be cause for disciplinary action.

RETALIATION PROHIBITED

No one shall retaliate against an employee or student because s/he submits a grievance, assists or participates in an investigation, proceeding, or hearing regarding the charge of harassment/discrimination of an individual or because s/he has opposed language or conduct that violates this policy.

Harassment/Discrimination

DEFINITION

Harassment/Discrimination of employees is unlawful behavior based on the race, color, national origin, age, religion, sex (including sexual orientation or gender identity), genetic information, disability, or limitations related to pregnancy, childbirth, or related medical conditions of an employee involving intimidation by threats of or actual physical violence; the creation, by whatever means, of a climate of hostility or intimidation or the use of language, conduct, or symbols in such manner as to be commonly understood to convey hatred or prejudice.

PROHIBITION

Harassment/Discrimination is prohibited at all times on school property and off school grounds during school-sponsored activities. This prohibition also applies to visitors to the school who may come into contact with employees and students. (Acts of harassment/discrimination based on sex may be committed by persons of the same or the opposite sex.)

District staff shall provide for a prompt and equitable resolution of complaints concerning harassment/discrimination.

DISCIPLINARY ACTION

Employees who engage in harassment/discrimination of another employee or a student on the basis of any of the areas mentioned above shall be subject to disciplinary action including but not limited to termination of employment.

GUIDELINES

Employees who believe they or any other employee, student, or visitor is being or has been subjected to harassment/discrimination shall, as soon as reasonably practicable, report it. In each school building, the Principal is the person responsible for receiving reports of harassment/discrimination at the building level. Otherwise, reports of harassment/discrimination may be made directly to the Superintendent. If an employee is not assigned to a particular school, a report of harassment/discrimination may be made to the employee's immediate supervisor or to the Superintendent. Additionally, if sexual discrimination or harassment is being alleged, reports may be made directly to the District Title IX Coordinator. Complaints of harassment/discrimination, whether verbal or written, shall lead to a documented investigation and a written report.

In applicable cases, employees must report harassment/discrimination to appropriate law enforcement authorities in accordance with law.¹

Harassment/Discrimination**GUIDELINES (CONTINUED)**

The Superintendent shall provide for the following:

1. Investigation of allegations of harassment/discrimination to commence as soon as circumstances allow, but not later than three (3) working days of receipt of the original complaint, regardless of the manner in which the complaint is communicated to a District administrator. A written report of all findings of the investigation shall be completed within thirty (30) calendar days, unless additional time is necessary due to the matter being investigated by a law enforcement or governmental agency;

The Superintendent/designee may take interim measures to protect complainants during the investigation.

2. A process to identify and implement, within five (5) working days of the submission of the written investigative report, methods to correct and prevent reoccurrence of the harassment/discrimination. If corrective action is not required, an explanation shall be included in the report;
3. A process to be developed and implemented to communicate requirements of this policy to all staff, which may include, but not be limited to the following:
 - written notice provided in publications such as handbooks, staff memoranda, and/or pamphlets;
 - postings in the same location as are documents that must be posted according to state/federal law; and/or
 - such other measures as determined by the Superintendent/designee.

Method(s) used shall provide a summary of this policy, along with information concerning how individuals can access the District's complete policy.

4. Annual training explaining prohibited behaviors and the necessity for prompt reporting of alleged harassment/discrimination; and
5. Development of alternate methods of filing complaints for individuals with disabilities and others who may need accommodation.

PROHIBITED CONDUCT

Depending on the circumstances and facts of the situation, and within the definition of harassment/discrimination contained in this policy, examples of conduct and/or actions that could be considered a violation of this policy include, but are not limited to:

1. Any nicknames, slurs, stories, jokes, written materials, or pictures that are lewd, vulgar, or profane and relate to any of the protected categories listed in the definition of harassment/discrimination contained in this policy;
2. Unwanted touching, sexual advances, requests for sexual favors and spreading sexual rumors;
3. Instances involving sexual violence;

Harassment/Discrimination**PROHIBITED CONDUCT (CONTINUED)**

4. Causing an employee to believe that he or she must submit to unwelcome sexual conduct in order to maintain employment or that a personnel decision will be based on whether or not the employee submits to unwelcome sexual conduct;
5. Implied or overt threats of physical violence or acts of aggression or assault based on any of the protected categories;
6. Seeking to involve individuals with disabilities in antisocial, dangerous, or criminal activity where they, because of disability, are unable to comprehend fully or consent to the activity; and
7. Destroying or damaging an individual's property based on any of the protected categories.

CONFIDENTIALITY

District employees involved in the investigation of complaints shall respect, as much as possible, the privacy and anonymity of all parties involved.

APPEAL

Upon the completion of the investigation and correction of the conditions leading to the harassment/discrimination, any party may appeal in writing any part of the findings and corrective actions to the Superintendent.

If a supervisory staff member is an alleged party in the harassment/discrimination complaint, provision shall be made for addressing the complaint to a higher level of authority.

Failure by employees to report, notify, and/or initiate an investigation of alleged harassment/discrimination as required by this policy, or to take corrective action shall be cause for disciplinary action.

RETALIATION PROHIBITED

No one shall retaliate against an employee or student because s/he submits a grievance, assists, or participates in an investigation, proceeding, or hearing regarding the charge of harassment/discrimination of an individual or because s/he has opposed language or conduct that violates this policy.

Upon the resolution of allegations, the Superintendent shall take steps to protect employees and students against retaliation.

OTHER CLAIMS

- School bus drivers shall immediately report to the Superintendent or designee any traffic violation specified in Kentucky Administrative Regulation.²

FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION (FMCSA) DRUG AND ALCOHOL CLEARINGHOUSE

The Clearinghouse is a secure online database that gives employers, the FMCSA, State Driver Licensing Agencies (SDLAs), and State law enforcement personnel real-time information about commercial driver's license (CDL) and commercial learner's permit (CLP) holders' drug and alcohol program violations. The Clearinghouse enables employers to identify drivers who commit a drug and alcohol program violation while working for one employer, but who fail to subsequently inform another employer (as required by current regulations).

<https://www.fmcsa.dot.gov/>

The District must not employ a driver subject to controlled substances and alcohol testing to perform a safety-sensitive function without first conducting a pre-employment query of the Clearinghouse to obtain information about whether the driver has a verified positive, adulterated, or substituted controlled substances test result; has an alcohol confirmation test with a concentration of 0.04 or higher; has refused to submit to a test in violation of law; or that an employer has reported actual knowledge, as defined by federal regulation, that the driver used alcohol on duty, used alcohol before duty, used alcohol following an accident, or used a controlled substance, in violation of federal regulations.

The District must conduct a query of the Clearinghouse at least once per year for information for all CDL drivers subject to controlled substance and alcohol testing to determine whether information exists in the Clearinghouse about those employees. The District shall not allow a driver to perform any safety-sensitive function if the results of a Clearinghouse query on the driver demonstrate a disqualification as provided by regulation and described above and such driver may be subject to personnel action up to and including termination.

Reporting of the following information on individual drivers to the federal Clearinghouse is required: verified positive, adulterated, or substituted test results; confirmed alcohol tests at .04 or higher; refusal to submit to required tests; the reporting of actual knowledge (as defined by federal regulation) of Department of Transportation (DOT) regulatory violations, including violations based on prohibited on duty, pre-duty, or post-accident alcohol use and controlled substance use; and regulatory return to duty and follow-up testing information as applicable.

TESTING

All covered applicants and employees shall be subject to pre-employment testing (controlled substances only), and reasonable suspicion, random and post-accident testing for drugs and alcohol. Return-to-duty and follow-up testing shall also be required.

All offers of employment with the District shall be made contingent upon testing results. An applicant who tests positive shall not be employed.

School Bus Drivers' Use of Tobacco and Other Substances**TESTING (CONTINUED)**

Current employees who test positive shall be subject to immediate disciplinary action up to and including dismissal in accordance with Board policy and administrative procedures. A school bus driver, substitute driver, school bus mechanic or anyone performing safety-sensitive pupil transportation duties who tests 0.02 percent or higher on the confirmation alcohol test immediately before, during, or immediately following the performance of these duties shall be relieved of these duties immediately. (School bus drivers found under the influence of alcohol or any illegal drugs while on duty or with remaining driving responsibilities that same day shall be dismissed from employment in accordance with Kentucky Administrative Regulation and Board policy and shall not be eligible for reemployment in a safety-sensitive student transportation position for five [5] years).

Employees who test positive shall be notified of referral services. Additionally, employees shall be subject to CDL prohibitions and penalties under the Omnibus Act and applicable Federal Motor Carrier Safety Regulations.

Applicants who refuse drug testing shall be eliminated immediately from employment consideration. Current employees who refuse to comply with testing requirements will be regarded as insubordinate and shall be subject to disciplinary action, up to and including dismissal.

Refusal to submit to an alcohol or controlled substance test means that the individual demonstrated noncompliance, including but not limited to the following actions:

- Failed to appear for any test within a reasonable period of time as determined by the employer and consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a sample specimen for any required test;
- Failed to provide a sample in an amount sufficient for testing without an adequate medical reason for the failure;
- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or
- Adulterated or substituted a test result as reported by the Medical Review Officer.

TESTING COSTS

Pre-employment drug testing costs shall be paid for by the District. All current employee drug and alcohol testing including reasonable suspicion, random and post-accident testing costs shall be paid for by the District.

School Bus Drivers' Use of Tobacco and Other Substances**MATERIALS TO BE PROVIDED**

The Superintendent/designee shall distribute educational materials to explain state and federal legal requirements for alcohol and controlled substance testing of CDL drivers and the District's policies and procedures to implement it and answer questions about the materials. Materials shall meet content requirements of state and federal regulations, including information on required reporting to the federal Clearinghouse, and shall be distributed to each driver prior to the start of alcohol and controlled substances testing each year and to each driver subsequently hired or transferred into a position requiring driving a commercial motor vehicle. Each employee is required to sign a statement certifying that s/he has received a copy of these materials. If the District recognizes an organization to represent bus drivers, the District shall provide written notice to representatives of the organization of the availability of this information.³

Harassment/Discrimination

DEFINITION

Harassment/Discrimination is unlawful behavior based on race, color, national origin, age, religion, sex (including sexual orientation or gender identity), or disability that is sufficiently severe, pervasive, or objectively offensive that it adversely affects a student's education or creates a hostile or abusive educational environment.

The provisions of this policy shall not be interpreted as applying to speech otherwise protected under the state or federal constitutions where the speech does not otherwise materially or substantially disrupt the educational process, as defined by policy 09.426, or where it does not violate provisions of policy 09.422.

PROHIBITION

Harassment/Discrimination is prohibited at all times on school property and off school grounds during school-sponsored activities. This prohibition also applies to visitors to the school who may come into contact with employees and students. (Acts of harassment/discrimination based on sex may be committed by persons of the same or the opposite sex.)

District staff shall provide for a prompt and equitable resolution of complaints concerning harassment/discrimination.

DISCIPLINARY ACTION

Students who engage in harassment/discrimination of an employee or another student on the basis of any of the areas mentioned above shall be subject to disciplinary action, including but not limited to suspension and expulsion.

Harassment/Discrimination**GUIDELINES**

Students who believe they or any other student, employee, or visitor is being or has been subjected to harassment/discrimination shall, as soon as reasonably practicable, report it. In each school building, the Principal is the person responsible for receiving reports of harassment/discrimination at the building level. Otherwise, reports of harassment/discrimination may be made directly to the Superintendent. Additionally, if sexual discrimination or harassment is being alleged, reports may be made directly to the District Title IX Coordinator. Complaints of harassment/discrimination, whether verbal or written, shall lead to a documented investigation and a written report.

Employees who believe prohibited behavior is occurring or has occurred shall notify the victim's Principal, who shall immediately forward the information to the Superintendent.

The Superintendent shall provide for the following:

1. Investigation of allegations of harassment/discrimination to commence as soon as circumstances allow, but not later than three (3) school days of receipt of the original complaint, regardless of the manner in which the complaint is communicated to a District administrator. A written report of all findings of the investigation shall be completed within thirty (30) calendar days, unless additional time is necessary due to the matter being investigated by a law enforcement or governmental agency.

The Superintendent/designee may take interim measures to protect complainants during the investigation.

2. A process to identify and implement, within five (5) school days of the submission of the written investigative report, methods to correct and prevent reoccurrence of the harassment/discrimination. If corrective action is not required, an explanation shall be included in the report.
3. A process to be developed and implemented to communicate requirements of this policy to all students, which may include, but not be limited to, the following:
 - written notice provided in publications such as handbooks, codes, and/or pamphlets; and/or
 - such other measures as determined by the Superintendent/designee.

Method(s) used shall provide a summary of this policy, along with information concerning how individuals can access the District's complete policy/procedures and obtain assistance in reporting and responding to alleged incidents. Students, parents or guardians, as appropriate, will be directed to sign an acknowledgement form verifying receipt of information concerning this policy as part of the Board-approved code of acceptable behavior and discipline.

4. Age appropriate training during the first month of school to include an explanation of prohibited behavior and the necessity for prompt reporting of alleged harassment/discrimination; and
5. Development of alternate methods of filing complaints for individuals with disabilities and others who may need accommodation.

Harassment/Discrimination**GUIDELINES (CONTINUED)**

When sexual harassment is alleged, the District's Title IX Coordinator, as designated in the student handbook/code, shall be notified.

NOTIFICATIONS

Within twenty-four (24) hours of receiving a serious allegation of harassment/discrimination, District personnel shall attempt to notify parents of both student victims and students who have been accused of harassment/discrimination.

In circumstances also involving suspected child abuse, additional notification shall be required by law. (See Policy 09.227.)

In applicable cases, employees must report harassment/discrimination to appropriate law enforcement authorities in accordance with law.¹

PROHIBITED CONDUCT

Depending on the circumstances and facts of the situation, and within the definition of harassment/discrimination contained in this policy, examples of conduct and/or actions that could be considered a violation of this policy include, but are not limited to:

1. Any nicknames, slurs, stories, jokes, written materials or pictures that are lewd, vulgar, or profane and relate to any of the protected categories listed in the definition of harassment/discrimination contained in this policy;
2. Unwanted touching, sexual advances, requests for sexual favors, and spreading sexual rumors;
3. Instances involving sexual violence;

5. Implied or overt threats of physical violence or acts of aggression or assault based on any of the protected categories;
6. Seeking to involve students with disabilities in antisocial, dangerous or criminal activity where the students, because of disability, are unable to comprehend fully or consent to the activity; and
7. Destroying or damaging an individual's property based on any of the protected categories.

CONFIDENTIALITY

District employees involved in the investigation of complaints shall respect, as much as possible, the privacy and anonymity of both victims and persons accused of violations.

APPEAL

Upon the completion of the investigation and correction of the conditions leading to the harassment/discrimination, any party may appeal in writing any part of the findings and corrective actions to the Superintendent.

Harassment/Discrimination**APPEAL (CONTINUED)**

If a supervisor is an alleged party in the harassment/discrimination complaint, procedures shall also provide for addressing the complaint to a higher level of authority.

Failure by employees to report, notify, and/or initiate an investigation of alleged harassment/discrimination as required by this policy, or to take corrective action shall be cause for disciplinary action.

RETALIATION PROHIBITED

No one shall retaliate against an employee or student because s/he submits a grievance, assists or participates in an investigation, proceeding, or hearing regarding the charge of harassment/discrimination of an individual or because s/he has opposed language or conduct that violates this policy.

Upon the resolution of allegations, the Superintendent shall take steps to protect employees and students against retaliation.

FALSE COMPLAINTS

Deliberately false or malicious complaints of harassment/discrimination may result in disciplinary action taken against the complainant.

OTHER CLAIMS

When a complaint is received that does not appear to be covered by this policy, administrators shall review other policies that may govern the allegations, including but not limited to, 09.422 and/or 09.426.
