Between

Jefferson County Board of

Education And

Nearpod Inc.

This Data Sharing/Use Agreement ("Agreement") between the Jefferson County Board of Education, a political subdivision of the Commonwealth of Kentucky doing business as the Jefferson County Public Schools ("JCPS"), and Nearpod Inc., a corporation organized under the laws of Delaware. ("Services Provider") describes the services to be provided to JCPS by Services Provider, and the means to be used by Services Provider to ensure the confidentiality and security of information and data exchanged between JCPS and Services Provider in connection with the provision of the services.

A. PERIOD OF THE AGREEMENT

This Agreement shall be effective as of July 28, 2021 and will terminate when the services contract referenced in Paragraph B.1. below terminates, unless terminated earlier by either party pursuant to Section H.

B. SCOPE OF THE AGREEMENT AND INTENDED USE OF THE DATA

1. Services Provider will provide the following services to JCPS under the terms of a services contract between JCPS and Services Provider effective July 28, 2021, and as more particularly described in each applicable sales order for Nearpod services.
2. JCPS and Services Provider agree that Services Provider is an organization to which JCPS can disclose, personally identifiable information from an education record of a student, as defined in 34 CFR 99.3, under the "school official exception" of the Family Educational Rights and Privacy Act, 20 U.S.C. 1232(g) and 34 C.F.R. 99.31 (a)(1) ("FERPA "), because the disclosure is to a contractor to whom JCPS has outsourced institutional services or functions for which JCPS would otherwise use employees ; the contractor is under the direct control of JCPS with respect to the use and maintenance of education records; and the contractor is subject to the requirements of 34 CFR 99.33(a) governing the use and redisclosure of personally identifiable information from education records.
3. JCPS shall disclose to Services Provider, confidential, personally identifiable

information from an education record of a student, as defined in 34 C.F.R. 99.3, under the "school official exception" of FERPA, 34 C.F.R. 99.31 (a)(1), when the disclosure is within such exception as stated in Paragraph B.2 above and Services Provider has a legitimate educational interest for access to such education records. The confidential data, including student and non-student information to be disclosed, is described in a document attached to this agreement as **Attachment A**. Services Provider shall use personally identifiable information from education records and other records in order to perform the services described in Paragraph B.1 above. Services Provider shall notify JCPS of any changes to the list of disclosed data necessary for the services or any changes to the scope, purpose or duration of the services themselves and JCPS' consent shall be evidenced by the earlier of: (i) thirty (30) days after Services Provider provides JCPS express notice of the changes via email to the email address associated with your (or your end-users') account(s); or (ii) when you (or your end-users) opt-in or otherwise expressly agree to the changes. Upon written request from JCPS, any agreed upon changes to the data disclosed shall be reduced to writing and included in an update to Attachment A to this Agreement. Any agreed upon changes to the scope, purpose or duration of the services shall be reduced to writing and included in an amendment to the services contract described in Paragraph B.1 above.

4. Services Provider and JCPS shall work cooperatively to determine the proper medium and method for the transfer of confidential data between each other. Services Provider shall confirm the transfer of confidential data and notify JCPS as soon as practicable of any discrepancies between the actual data transferred and the data described in this Agreement. The same protocol shall apply to any transfer of confidential data from Services Provider to JCPS.

C. CONSTRAINTS ON USE OF DATA

1. Services Provider agrees that the services shall be provided in a manner that does not permit personal identification of parents and students by individuals other than representatives of Services Provider that have legitimate interests in the information.
2. Services Provider may contact the educators included in the data sets without obtaining advance written authorization from JCPS from time to time solely to apprise the educators of any new offerings and/or features available through the website. Notwithstanding anything to the contrary in this Agreement or otherwise, Services Provider will not knowingly advertise to or contact students.
3. With the exception of contracted service providers of the Services Provider necessary to carry out the services contemplated in the services contract described in paragraph B.1, Services Provider shall not re-disclose any individual-level data with or without identifying information to

any other requesting individuals, agencies, or organizations without prior written authorization by JCPS.

4. Services Provider shall not use the data for personal gain or profit outside of the purposes described in Paragraph B.1 above or underlying services agreement.

D. DATA CONFIDENTIALITY AND DATA SECURITY

Services Provider agrees to the following confidentiality and data security statements:

1. Services Provider acknowledges that the data is confidential data and proprietary to JCPS, and agrees to protect the data from unauthorized disclosures and to comply with all applicable Local, State and Federal confidentiality laws and regulations including but not limited to FERPA; the Kentucky Family Educational Rights and Privacy Act, KRS 160.700 et seq.; the Richard B. Russell National School Lunch Act, 42 U.S.C. 1751 et seq.; the Child Nutrition Act of 1966, 42 U.S.C. 1771 et seq.; 7 C.F.R. 245.6 et seq.; the Personal Information Security and Breach Investigation Procedures and Practices Act, KRS 61.931 et seq.; and the Kentucky Open Records Act, KRS 61.820 et seq.
2. If the performance of this Agreement involves the transfer by JCPS to Services Provider of any data regarding any JCPS student that is subject to FERPA, Services Provider agrees to:
 - a. In all respects comply with the provisions of FERPA.
 - b. Use any such data for no purpose other than to fulfill the purposes of the services contract described in Paragraph B.1 above, and not share any such data with any person or entity other than Services Provider and its employees, contractors and agents, without the prior written approval of JCPS.
 - c. Require all employees, contractors and agents of Services Provider to comply with all applicable provisions of FERPA with respect to any such data.
 - d. Maintain any such data in a secure computer environment, and not copy, reproduce or transmit any such data except as necessary to fulfill the purposes of the services contract described in Paragraph B.1 above.
 - e. Provide the services under the services contract described in Paragraph B.1 above in a manner that does not permit the identification of an individual student by anyone other than employees, contractors or agents of Services Provider having a legitimate interest in knowing such

personal identification.

- f. Destroy or return to JCPS any such data obtained under this Agreement within thirty days (30) after the date within it is no longer needed by Services Provider for the purposes of the services contract described in Paragraph B.1 above. Notwithstanding anything to the contrary in this Agreement or otherwise, this requirement does not apply to any backups that Services Provider may create in the usual course of business (i.e. per Services Provider's Business Continuity Policy) unless that backup is used to restore Services Provider's systems, at which point, the data belonging to JCPS will be deleted.
3. With the exception of contracted service providers of the Services Provider necessary to carry out the services contemplated in the services contract described in paragraph B.1, Services Provider shall not release or otherwise reveal, directly or indirectly, the data to any individual, agency, entity, or third party not included in this Agreement, unless such disclosure is required by law or court order. If Services Provider becomes legally compelled to disclose any confidential and otherwise personally identifiable data (whether by judicial or administrative order, applicable law, rule or regulation, or otherwise), then Services Provider shall use all reasonable efforts to provide JCPS with prior notice (so long as legally permissible) before disclosure so that JCPS may seek a protective order or other appropriate remedy to prevent the disclosure or to ensure JCPS's compliance with the confidentiality requirements of federal or state law; provided, however, that Services Provider will use all reasonable efforts to maintain the confidentiality of confidential and otherwise personally identifiable data. If a protective order or other remedy is not obtained prior to the deadline by which any legally compelled disclosure is required, Services Provider will only disclose that portion of confidential and otherwise personally identifiable data that Services Provider is legally required to disclose.
4. Services Provider shall not distribute, reprint, alter, sell, assign, edit, modify or create derivative works or any ancillary materials from or with the data. Notwithstanding anything to the contrary in this agreement or otherwise, Services Provider has the irrevocable, perpetual, worldwide, sublicensable, transferrable, right to use JCPS information solely on an aggregated, anonymized, and de-identified basis ("Aggregated Data") for the purposes of research and to improve the services contemplated in paragraph B.1 of this Agreement, provided that Services Provider first removes all personally identifiable information from the Aggregated Data, and JCPS has made a reasonable determination that a student's identity is not personally identifiable, whether through single or multiple releases, and taking into account other reasonably available information, in accordance with 34 CFR 99.31(b)(1).
5. Except as otherwise permissible pursuant to this Agreement and/or applicable

law, Services Provider shall not use data shared under this Agreement for any purpose other than the services contract described in Paragraph B.1 above. Nothing in this Agreement shall be construed to authorize Services Provider to have access to additional data from JCPS that is not included in the scope of this Agreement (or addenda). Services Provider understands that this Agreement does not convey ownership of the data to Services Provider.

6. Services Provider shall take reasonable security precautions and protections to ensure that persons not authorized to view the data do not gain access to the data. Reasonable security precautions and protections include, but are not limited to:
 - a. Creating, distributing, and implementing data governance policies and procedures which protect data through appropriate administrative, technical and physical security safeguards, and outline staff responsibilities for maintaining data security;
 - b. Encrypting all data carried on mobile computers/devices;
 - c. Encrypting data before it is transmitted electronically;
 - d. Requiring that users be uniquely identified and authenticated before accessing data;
 - e. Establishing and enforcing well-defined data privilege rights which restrict users' access to the data necessary for this to perform their job functions;
 - f. Ensuring that all staff accessing data sign a nondisclosure statement attached as **Attachment B**, and maintain copies of signed statements;
 - g. Securing access to any physical areas/electronic devices where sensitive data are stored;
 - h. Installing a firewall to permit or deny network transmissions based upon a set of rules; and
 - i. Installing anti-virus software to protect the network.
7. If Services Provider receives Personal Information as defined by and in accordance with the Kentucky Personal Information Security and Breach Investigation Procedures and Practices Act, KRS 61.931, et seq. (the "Act"), Services Provider shall secure, protect and maintain the confidentiality of the Personal Information by, without limitation, complying with all requirements applicable to "non-affiliated third parties" set forth in the Act, including but not limited to the following:

- a. "Personal Information" is defined in accordance with KRS 61.931(6) as an individual's first name or first initial and last name; personal mark; or unique biometric or genetic print or image, in combination with one (1) or more of the following data elements:
 - i. An account, credit card number, or debit card number that, in combination with any required security code, access code or password, would permit access to an account;
 - ii. A Social Security number;
 - iii. A taxpayer identification number that incorporates a Social Security number;
 - iv. A driver's license number, state identification card number or other individual identification number issued by an agency;
 - v. A passport number or other identification number issued by the United States government; or
 - vi. Individually Identifiable Information as defined in 45 C.F.R. sec. 160.013 (of the Health Insurance Portability and Accountability Act), except for education records covered by FERPA.
- b. As provided in KRS 61.931(5), a "non-affiliated third party" means any person or entity that has a contract or agreement with an agency and receives (accesses, collects or maintains) personal information from the agency pursuant to the contract or agreement.
- c. Services Provider shall not re-disclose, without the written consent of JCPS, any "personal information," as defined in KRS 61.931, or any other personally identifiable information of a student or other persons, such as employees.
- d. Services Provider agrees to cooperate with JCPS in complying with the response, mitigation, correction, investigation, and notification requirements of the Act.
- e. Services Provider agrees to undertake a prompt and reasonable investigation of any breach as required by KRS 61.933.

8. If Services Provider is a cloud computing service provider (as defined in KRS

365.734(1)(b) as "any person other than an educational institution that operates a cloud computing service"), Services Provider agrees that:

- a. Services Provider shall not process student data for any purpose other than providing, improving, developing, or maintaining the integrity of its cloud computing services, unless the provider receives express permission from the student's parent. Services Provider shall rely on the student's school and district to obtain the necessary parental consent to use the services. KRS 365.734 defines "process" and "student data."
 - b. Pursuant to KRS 365.734(2), Services Provider shall not in any case process student data to advertise or facilitate advertising or to create or correct an individual or household profile for any advertisement purposes.
 - c. Pursuant to KRS 365.734(2), Services Provider shall not sell, disclose, or otherwise process student data for any commercial purpose. For the avoidance of doubt, this section does not prohibit the Services Provider from charging a fee for the services contemplated in paragraph B.1 of this agreement.
 - d. Pursuant to KRS 365.734(3), Services Provider shall certify in writing to the agency that it will comply with KRS 365.734(2).
9. Services Provider shall report all known or suspected breaches of the JCPS data, in any format, to Dr. Kermit Belcher, Chief Information Officer. The report shall include (1) the name, job title, and contact information of the person reporting the incident; (2) the name, job title, and contact information of the person who discovered the incident; (3) the date and time the incident was discovered; (4) the nature of the incident (e.g. system level electronic breach, an electronic breach of one computer or device, a breach of hard copies of records, etc.); (5) a description of the information lost or compromised; (6) the name of the electronic system and possible interconnectivity with other systems; (7) the storage medium from which information was lost or compromised; (8) the controls in place to prevent unauthorized use of the lost or compromised information; (9) the number of individuals potentially affected; and (10) whether law enforcement was contacted.
10. Services Provider shall securely and permanently destroy the data, and any and all hard and soft (electronic) copies thereof, upon the termination of this Agreement. Services Provider agrees to require all employees, contactors, or agents of any kind using JCPS data to comply with this provision. Services Provider agrees to document the methods used to destroy the data, and upon request, provide certification to JCPS that the data has been destroyed. Notwithstanding anything to the contrary in this Agreement or otherwise, this requirement does not apply to any backups that Services Provider may create

in the usual course of business (i.e. per Services Provider's Business Continuity Policy) unless that backup is used to restore Services Provider's systems, at which point, the data belonging to JCPS will be deleted.

11. For purposes of this agreement and ensuring Services Provider's compliance with the terms of this Agreement and all application of the state and Federal laws, Services Provider designates Daniel Green, Chief Privacy Officer (or an alternative designee specified in writing) as the temporary custodian ("Temporary Custodian") of the data that JCPS shares with Services Provider. JCPS will release all data and information under this Agreement to Temporary Custodian. Temporary Custodian shall be responsible for transmitting all data requests and maintain a log or other record of all data requested and received pursuant to this Agreement, including confirmation of the return or destruction of the data as described below. JCPS or its agents may, upon request, review the records Services Provider is required to keep under this Agreement.
12. Services Provider acknowledges that any violation of this Agreement and/or the provisions of FERPA or accompanying regulations related to the nondisclosure of protected student information constitutes just cause for JCPS to immediately terminate this Agreement.
13. Services Provider shall maintain, during the term of this Agreement, a cyber-insurance liability policy, in the amount of \$5M. Upon request, Services Provider shall furnish the certificate of insurance evidencing this coverage. The certificate of insurance shall name the Board of Education of Jefferson County as additional insured in the Description of Operations section of the Certificate of Insurance which shall read:

Board of Education of Jefferson County
Attn: Insurance/Real Estate Dept.
3332 Newburg Road

14. Services provider shall maintain, during the term of this Agreement, ISO27001 or SOC2 certification. If Services Provider is unable to provide ISO27001 or SOC2 certification, minimum requirements on a JCPS-provided standardized questionnaire must be met. Upon request, Services Provider shall furnish a current ISO27001, SOC2 certification, or updated questionnaire.

E. FINANCIAL COSTS OF DATA-SHARING

Each party shall be responsible for their portion of costs that may result from data sharing. Examples of potential costs to JCPS are costs associated with the compiling of student data requested under this agreement and costs associated with the electronic delivery of the student data to Services Provider.

No payments will be made under this Agreement by either party. Any payments to Services Provider will be made under the services contract described in Paragraph B.1 above.

F. OBLIGATIONS OF JCPS

During the term of this Agreement, JCPS shall:

1. Prepare and deliver the data described in **Attachment A**.

G. LIABILITY

Services Provider agrees to be responsible for and assumes all liability for any third-party claims, costs, damages or expenses (including reasonable attorneys' fees) that may arise from or relate to Services Provider's intentional or negligent release of personally identifiable data protected by any applicable law, including student, parent, or staff data ("Claim" or "Claims"). Services Provider agrees to hold harmless JCPS and pay any costs incurred by JCPS in connection with any Claim, except to the extent such Claim is based on the negligent or intentional acts or omissions of JCPS or any of its representatives, agents, contractors, employees, or board members. The provisions of this Section shall survive the termination or expiration of this Agreement.

H. TERMINATION

1. This Agreement may be terminated as follows, after notification via the United States Postal Service (certified mail or registered mail) or recognized overnight delivery service (e.g., UPS, DHL, or FedEx), and in the event of a Termination by JCPS, JCPS shall send the notice via email to privacy@nearpod.com.
 - a. By either party in the event of a material breach of this Agreement by another party provided however, the breaching party shall have thirty (30) days to cure such breach and this Agreement shall remain in force.
 - b. By either party after thirty (30) days advance written notice to the other party, for any reason or no reason. Notwithstanding anything to the contrary in this Agreement or otherwise, all fees paid or owing are non-cancellable and non-refundable.
2. The confidentiality provisions of this Agreement shall survive the termination of this Agreement. If this Agreement is terminated by either party for material breach or for any other reason with thirty (30) days written notice, within ninety (90) days of the termination the confidential information shall be returned or destroyed and the Temporary Custodian shall provide JCPS confirmation of the return or destruction of the data pursuant to Paragraph D.11. If this Agreement terminates at the end of the term described in Section A, within thirty (30) days after the end of the term, Services Provider shall return or destroy all confidential information and the Temporary Custodian shall provide JCPS confirmation of the

return or destruction of the data pursuant to Paragraph D.11.

3. Destruction of the confidential information shall be accomplished by utilizing an approved method of confidential destruction, including but not limited to shredding, burning or certified/witnessed destruction for physical materials and verified erasure of magnetic media using approved methods of electronic file destruction.

I. PUBLICATIONS AND COPYRIGHTS

Both parties recognize that each organization may have extant work that predates this agreement. If those materials and/or data are used in the course of this work, they remain the property of the original developer. If new materials are developed during the term of the services contract described in Paragraph B.1 above, ownership and copyright of such will be governed by the terms of the services contract.

J. MODIFICATION

No waiver, alteration or modification of the provisions of this Agreement shall be binding unless in writing and mutually agreed upon. Any modifications or additions to this Agreement must be negotiated and approved by both parties.

K. QUALITY OF SERVICES

JCPS reserves the right to review Services Provider's performance under this Agreement for effectiveness in serving the specific purposes as outlined in Paragraph B.1. Failure of Services Provider to perform in a manner that meets or exceeds the quality standards for JCPS shall serve as grounds for termination of this Agreement, subject to Service Provider's right to cure under Section H.1.a. of this Agreement.

L. BREACH OF DATA CONFIDENTIALITY

Services Provider acknowledges that the breach of this agreement or its part may result in irreparable and continuing damage to JCPS for which money damages may not provide adequate relief. In the event of a breach or threatened breach of this agreement by Services Provider, JCPS, in addition to any other rights and remedies available to JCPS at law or in equity, may be entitled to preliminary and permanent injunctions to enjoin and restrain the breach or threatened breach. If the United States Department of Education's Family Policy Compliance Office determines that Services Provider has violated paragraph 34 C.F.R. 99.31(a)(6)(iii)(B), JCPS may not allow Services Provider access to personally identifiable information from its education records for at least five (5) years.

M. CHOICE OF LAW AND FORUM

This Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky. Any action or Claim arising from, under or pursuant to this Agreement shall be brought in the Jefferson County, Kentucky, Circuit Court, and the parties expressly waive the right to bring any legal action or Claims in any other courts.

N. WAIVER

No delay or omission by either party in exercising any right under this Agreement shall operate as a waiver of that or any other right or prevent a similar subsequent act from constituting a violation of this Agreement.

O. SEVERABILITY

If any part of this Agreement is held to be void, against public policy or illegal, the balance remaining provisions of this Agreement shall continue to be valid and binding.

P. NOTICES

Any notices or reports by one party to the other party under this Agreement shall be made in writing, to the address shown in the signature portions of this Agreement, or to such other address as may be designated in writing by one party to the other. Notices shall be effective when received if personally delivered, or three days after mailing if mailed.

Q. RELATIONSHIP OF PARTIES

JCPS is not an employee, agent, partner or co-venturer of or with Services Provider. Neither Services Provider nor JCPS shall represent or imply to any party that it has the power or authority to enter into a contract or commitment in the name of or on behalf of the other, or to otherwise bind the other.

R. ENTIRE AGREEMENT; ASSIGNMENT

This Agreement, together with any attachments hereto and any amendment or modifications that may hereafter be agreed to, constitute the entire understanding between the parties with respect to the subject-matter hereof and supersede any and all prior understandings and agreements, oral and written, relating hereto. Services Provider shall not assign this Agreement or any portion thereof to a subcontractor or other third party without the prior written consent of JCPS, and any attempted assignment without such prior written consent in violation of this Section R shall automatically terminate this Agreement. Notwithstanding anything to the contrary in this Agreement or otherwise, Services Provider may assign or otherwise transfer this Agreement without JCPS' prior consent in the event of a corporate restructure, merger, acquisition, or the sale of all or substantially all of its assets.

INVENTION, NON-DISCLOSURE, AND NON-SOLICITATION AGREEMENT

This Invention, Non-Disclosure, and Non-Solicitation Agreement (this "Agreement") is made by and between Nearpod Inc., a Delaware corporation (hereinafter referred to collectively with its subsidiaries as the "Company"), and [] (the "Employee").

In consideration of the employment or the continued employment of the Employee by the Company, the Company and the Employee agree as follows:

Condition of Employment

The Employee acknowledges that his/her employment and/or the continuance of that employment with the Company is contingent upon his/her agreement to sign and adhere to the provisions of this Agreement. The Employee further acknowledges that the nature of the

Company's business is such that protection of its proprietary and confidential information is critical to the survival and success of the Company's business.

Proprietary and Confidential Information

The Employee agrees that all information and know-how, whether or not in writing, of a private, secret or confidential nature concerning the Company's business or financial affairs (collectively, "Proprietary Information") is and shall be the exclusive property of the Company. By way of illustration, but not limitation, Proprietary Information may include discoveries, ideas, inventions, products, product improvements, product enhancements, processes, methods, techniques, formulas, compositions, compounds, negotiation strategies and positions, projects, developments, plans (including business and marketing plans), research data, clinical data, financial data (including sales costs, profits, pricing methods), personnel data, computer programs (including software used pursuant to a license agreement), customer, prospect and supplier lists, and contacts at or knowledge of customers or prospective customers of the Company. The Employee will not disclose any Proprietary Information to any person or entity other than employees of the Company or use the same for any purposes (other than in the performance of his/her duties as an employee of the Company) without written approval by an officer of the Company, either during or after his/her employment with the Company, unless and until such Proprietary Information has become public knowledge without fault by the Employee. While employed by the Company, the Employee will use

the Employee's best efforts to prevent unauthorized publication or disclosure of any of the Company's Proprietary Information.

The Employee agrees that all files, documents, letters, memoranda, reports, records, data, sketches, drawings, models, laboratory notebooks, program listings, computer equipment or devices, computer programs or other written, photographic, or other tangible or intangible material containing Proprietary Information, whether created by the Employee or others, which shall come into his/her custody or possession, shall be and are the exclusive property of the Company to be used by the Employee only in the performance of his/her duties for the Company and shall not be copied or removed from the Company premises except in the pursuit of the business of the Company. All such materials or copies thereof and all tangible property of the Company in the custody or possession of the Employee shall be delivered to the Company, upon the earlier of (i) a request by the Company or (ii) termination of his/her employment for any reason. After such delivery, the Employee shall not retain any such materials or copies thereof or any such tangible property.

The Employee agrees that his/her obligation not to disclose or to use information and materials of the types set forth in paragraphs 2(a) and 2(b) above, and his/her obligation to return materials and tangible property, set forth in paragraph 2(b) above, also extends to such types of information, materials and tangible property of customers of the Company or suppliers to the Company or other third parties who may have disclosed or entrusted the same to the Company or to the Employee in the course of the Company's business.

Developments

The Employee will make full and prompt disclosure to the Company of all discoveries, ideas, inventions, improvements, enhancements, processes, methods, techniques, developments, software, and works of authorship, whether patentable or not, which are created, made, conceived or reduced to practice by him/her or under his/her direction or jointly with others during his/her employment by the Company, whether or not during normal working hours or on the premises of the Company (all of which are collectively referred to in this Agreement as "Developments").

The Employee agrees to assign and does hereby assign to the Company (or any person or entity designated by the Company) all his/her right, title and interest in and to all Developments and all related patents, patent applications, copyrights and copyright applications. However, this paragraph 3(b) shall not apply to Developments which do not relate to the business or research and development conducted or planned to be conducted by the Company at the time such Development is created, made, conceived or reduced to practice and which are made and conceived by the Employee not during normal working hours, not on the Company's premises and not using the Company's tools, devices, equipment or Proprietary Information. The Employee understands that, to the extent this Agreement shall be construed in accordance with the laws of any state which precludes a requirement in an employee agreement to assign certain classes of inventions made by an employee, this paragraph 3(b) shall be interpreted not to apply

to any invention which a court rules and/or the Company agrees falls within such classes. The Employee also hereby waives all claims to moral rights in any Developments.

The Employee agrees to cooperate fully with the Company, both during and after his/her employment with the Company, with respect to the procurement, maintenance and enforcement

of copyrights, patents and other intellectual property rights (both in the United States and foreign countries) relating to Developments. The Employee shall sign all papers, including, without limitation, copyright applications, patent applications, declarations, oaths, formal assignments, assignments of priority rights, and powers of attorney, which the Company may deem necessary or desirable in order to protect its rights and interests in any Development. The Employee further agrees that if the Company is unable, after reasonable effort, to secure the signature of the Employee on any such papers, any executive officer of the Company shall be entitled to execute any such papers as the agent and the attorney-in-fact of the Employee, and the Employee hereby irrevocably designates and appoints each executive officer of the Company as his/her agent and attorney-in-fact to execute any such papers on his/her behalf, and to take any and all actions as the Company may deem necessary or desirable in order to protect its rights and interests in any Development, under the conditions described in this sentence.

Obligations to Third Parties

The Employee represents that, except as the Employee has disclosed in writing to the Company, the Employee is not bound by the terms of any agreement with any previous employer or other party to refrain from using or disclosing any trade secret or confidential or proprietary information in the course of his/her employment with the Company, to refrain from competing, directly or indirectly, with the business of such previous employer or any other party or to refrain from soliciting employees, customers or suppliers of such previous employer or other party. The Employee further represents that his/her performance of all the terms of this Agreement and the performance of his/her duties as an employee of the Company do not and will not conflict with or breach any agreement with any prior employer or other party (including, without limitation, any non disclosure and non-competition, agreement), and that the Employee will not disclose to the Company or induce the Company to use any confidential or proprietary information or material belonging to any previous employer or others.

Non-Solicitation

I hereby agree that while I am employed by the Company and for a period of one (1) year after the termination or cessation of such employment for any reason, I will not, either alone or in association with others, solicit, or permit any person or organization directly or indirectly to solicit any individual who at the time of the solicitation is, or who

within the six (6) month period prior to such solicitation was, an employee of the Company to leave or otherwise terminate his/her relationship with the Company.

United States Government Obligations

The Employee acknowledges that the Company from time to time may have agreements with other persons or with the United States Government, or agencies thereof, which impose obligations or restrictions on the Company regarding inventions made during the course of work under such agreements or regarding the confidential nature of such work. The Employee agrees to be bound by all such obligations and restrictions which are made known to the Employee and to take all action necessary to discharge the obligations of the Company under such agreements.

Miscellaneous

Equitable Remedies

The Employee acknowledges that the restrictions contained in this Agreement are necessary for the protection of the business and goodwill of the Company and are considered by the Employee to be reasonable for such purpose. The Employee agrees that any breach or threatened breach of this Agreement is likely to cause the Company substantial and irrevocable damage which is difficult to measure. Therefore, in the event of any such breach or threatened breach, the Employee agrees that the Company, in addition to such other remedies which may be available, shall have the right to obtain an injunction from a court restraining such a breach or threatened breach without posting a bond and the right to specific performance of the provisions of this Agreement and the Employee hereby waives the adequacy of a remedy at law as a defense to such relief.

Disclosure of this Agreement

The Employee hereby authorizes the Company to notify others, including but not limited to customers of the Company and any of the Employee's future employers or prospective business associates, of the terms and existence of this Agreement and the Employee's continuing obligations to the Company hereunder.

Not Employment Contract

The Employee acknowledges that this Agreement does not constitute a contract of employment, does not imply that the Company will continue his/her employment for any period of time and does not change the at-will nature of his/her employment.

Successors and Assigns

This Agreement shall be binding upon and inure to the benefit of both parties and their respective successors and assigns, including any corporation with which, or into which, the Company may be merged or which may succeed to the Company's assets or business, provided, however, that the obligations of the Employee are personal and shall not be assigned by him or her. The Employee expressly consents to be bound by the provisions of this Agreement for the benefit of the Company or any subsidiary or affiliate thereof to whose employ the Employee may be transferred without the necessity that this Agreement be re-signed at the time of such transfer.

Severability
